No Enemies,  
No Hatred

Selected Essays and Poems

Foreword by Václav Havel

# No Enemies No Hatred Selected Essays And Poems

**Dexter Roberts**

## **No Enemies No Hatred Selected Essays And Poems:**

*No Enemies, No Hatred* Xiaobo Liu, 2012-01-16 When the Nobel Peace Prize was awarded in December 2010 its recipient Liu Xiaobo was serving an eleven year sentence in a Chinese prison for incitement to subvert state power These essays and poems not only chronicle a leading dissident's struggle against tyranny but enrich the record of universal longing for freedom and dignity

*Sensible Politics* William A. Callahan, 2020 Visual images are everywhere in international politics But how are we to understand them In *Sensible Politics* William A Callahan uses his expertise in theory and filmmaking to explore not only what visuals mean but also how visuals can viscerally move and connect us in affective communities of sense The book's rich analysis of visual images photographs film art and visual artifacts maps veils walls gardens cyberspace shows how critical scholarship needs to push beyond issues of identity and security to appreciate the creative politics of social ordering and world ordering Here sensible politics isn't just sensory but looks beyond icons and ideology to the affective politics of everyday life It challenges our Eurocentric understanding of international politics by exploring the meaning and impact of visuals from Asia and the Middle East *Sensible Politics* offers a unique approach to politics that allows us to not only think visually but also feel visually and creatively act visually for a multisensory appreciation of politics

[China's Modernization II](#) Gerhard Preyer, 2015-09-17 The idea of only one way leading to a modern society seems to be hardly tenable But even if we agree to this our theories and terms describing modernization are gained on our own Western history So social science has to reconsider its basic terms to describe China's modernization and maybe even the understanding of modernization itself The second of two volumes on China's modernization collects articles by leading Chinese and Western scientists focusing on the main conflicts and differences this process involves In the first section *On Contemporary Theory of Modernization* Manussos Marangudakis represents Shmuel N Eisenstadt's concept of Multiple Modernities and the Theory of Indeterminacy one of the best elaborated perspectives on modernity *Changing China Dealing with Diversity* the second section examines how China copes with dissent and discusses the significance of law and a civil society Merle Goldman begins with *Dissent of China's Public Intellectuals in the Post Mao Era* The *Modernization of Law in China its Meaning Achievements Obstacles and Prospect* is the subject of Qingbo Zhang Scott Wilson presents a Gramscian analysis of civil society in China's *State in the Trenches* And Francis Schortgen and Shalendra Sharma study how China is *Manufacturing Dissent Domestic and International Ramifications of China's Summer of Labor Unrest* Neoliberalism and the Changes in East Asian Welfare and Education is the focus of the third section Beatriz Carrillo Garcia investigates the *Business Opportunities and Philanthropic Initiatives in China* Time Politics and Homelessness in Contemporary Japan is the subject of Ritu Vij Different school books show the Educational Modernisation Across the Taiwan Straits by David C Schak And Ho fung Hung discusses the role of China in globalization following the question *Is China Saving Global Capitalism from the Global Crisis* The additional rubric *On Contemporary Philosophy* involves three articles about International Development Paradox and Phronesis by Robert

Kowalski The World in the Head by Robert Cummins and Communication Cooperation and Conflict by Steffen Borge Content and abstracts www protosociology de

**The Lost Chance in China and the Rise of Cold War Populism** Stephen J. Hartnett,2025-10-01 The Lost Chance in China and the Rise of Cold War Populism offers a rollicking retelling of the fate of America s diplomats stationed in China during World War II and the start of the Chinese Civil War documenting how their efforts to find peace in China clashed with the anti Communist network of right wing advocates known as the China Lobby Fueled by America s end of the war fury over the loss of China to Mao and the Communists the on the ground experts in Asia lost the public relations battle to Cold War populists who pushed a toxic version of public anger that built the rhetorical foundation of McCarthyism Hartnett diagnoses the moment s political battles by mapping a series of interlocking dispositions emotion based reactions that short circuited critical thinking and empathy instead feeding strident anti Communism xenophobia and class based resentments Hartnett s masterwork offers a haunting prehistory to our contemporary moment when populism again stokes outrage and fear at the cost of nuanced international understanding

**The Intellectual in Modern Chinese History** Timothy Cheek,2016-01-05 This vivid narrative history of Chinese intellectuals and public life provides a guide to making sense of China today Timothy Cheek presents a map and a method for understanding the intellectual in the long twentieth century from China s defeat in the Sino Japanese war in 1895 to the Prosperous China since the 2008 Beijing Olympics Cheek surveys the changing terrain of intellectual life over this transformative century in Chinese history to enable readers to understand a particular figure idea or debate The map provides coordinates to track different times different social worlds and key concepts The historical method focuses on context and communities during six periods to make sense of ideas institutions and individual thinkers across the century Together they provide a memorable account of the scenes and protagonists and arguments and ideas of intellectuals and public life in modern China

The Invisible Source of Authority David Walsh,2025-07-15 The Invisible Source of Authority is a philosophical meditation on the secular age and challenges the notion that the secular can be understood without reference to God How does one reject God while denying belief This is the central paradox of our secular age where efforts to erase God only affirm his presence In The Invisible Source of Authority David Walsh examines this paradox and argues that a secular world actually reveals God more clearly rather than bringing about what has been called the death of God Unlike many critics of modernity Walsh argues that secularism is not inhospitable to authentic religious faith and cannot be understood without reference to God Drawing on the writings of early modern thinkers like Montaigne Descartes and Grotius Walsh asserts that God s absence from the secular world is testimony to God s transcendence Because the secular is always that which has withdrawn from serving God Walsh suggests that this presupposition proves that God remains indispensable to the self understanding of secular society The Invisible Source of Authority seeks to remind us that despite his seeming absence the transcendent God remains an essential presence

**PeaceTalk** Leo R. Sandy,Raymond Perkins,Ashley L. Greene,2025-09-22 A rich compilation of resources related

to peace this book will inspire students and readers with the individuals organizations and world events that have shaped humanity's progress toward the abolition of war and the advancement of social and economic justice China in the 21st Century Jeffrey N. Wasserstrom, Maura Elizabeth Cunningham, 2018-03-12 In this fully revised and updated third edition of China in the 21st Century What Everyone Needs to Know Jeffrey N Wasserstrom and Maura Elizabeth Cunningham provide cogent answers to urgent questions regarding the world's newest superpower and offer a framework for understanding China's meteoric rise from developing country to superpower Framing their answers through the historical legacies Confucian thought Western and Japanese imperialism the Mao era and the Tiananmen Square massacre that largely define China's present day trajectory Wasserstrom and Cunningham introduce readers to the Chinese Communist Party the building boom in Shanghai and the environmental fallout of rapid Chinese industrialization They also explain unique aspects of Chinese culture such as the one child policy and provide insight into Chinese American relations a subject that has become increasingly fraught during the Trump era As Wasserstrom and Cunningham draw parallels between China and other industrialized nations during their periods of development in particular the United States during its rapid industrialization in the 19th century they also predict how we might expect China to act in the future vis vis the United States Russia India and its East Asian neighbors Updated to include perspectives on Hong Kong's shifting political status as well as an expanded discussion of President Xi Jinping's time in office China in the 21st Century provides a concise and insightful introduction to this significant global power *Cosmopolitanism and the Legacies of Dissent* Tamara Caraus, Camil Alexandru Parvu, 2014-07-17 The core idea shared by all cosmopolitan views is that all human beings belong to a single community and the ultimate units of moral concern are individual human beings not states or particular forms of human associations Nevertheless the attempts to ground a political theory on overarching universal principles is in contradiction with the plurality of social cultural political religious interpretative standpoints in the contemporary world Is dissent cosmopolitan Is there a legacy of dissent for a theory of cosmopolitanism This book is a comparative historical analysis of dissident thought and practice for contemporary debates on cosmopolitanism Divided into two parts the editors and contributors explore the contribution of paradigmatic dissidents like Gandhi Martin Luther King Havel Sakharov Mandela Liu Xiaobo Aung San Suu Kyi towards a post universalist cosmopolitan theory Part Two examines the inherent cosmopolitanism of the seemingly peripheral dissent of contemporary forms of protests resistance direct action like NO TAV movement and Occupy Wall Street A timely book which allows for a much needed new engagement in contemporary debates of cosmopolitanism we learn how practical resistance to totalizing hegemonic claims is generated and how dissident thinking might contribute to new enriched ways of conceiving the non totalizing foundations of cosmopolitanism An innovative look at what lessons can scholars of cosmopolitanism learn from dissent dissident movements and what the role of dissent in cosmopolitan democracy could be *The Myth of Chinese Capitalism* Dexter Roberts, 2020-03-10 The vivid provocative untold story of how restrictive policies

are preventing China from becoming the world's largest economy Evan Osnos Dexter Roberts lived in Beijing for two decades working as a reporter on economics business and politics for Bloomberg Businessweek In *The Myth of Chinese Capitalism* Roberts explores the reality behind today's financially ascendant China and pulls the curtain back on how the Chinese manufacturing machine is actually powered He focuses on two places the village of Binghuacun in the province of Guizhou one of China's poorest regions that sends the highest proportion of its youth away to become migrants and Dongguan China's most infamous factory town located in Guangdong home to both the largest number of migrant workers and the country's biggest manufacturing base Within these two towns and the people that move between them Roberts focuses on the story of the Mo family former farmers turned migrant workers who are struggling to make a living in a fast changing country that relegates one half of its people to second class status via household registration land tenure policies and inequality in education and health care systems In *The Myth of Chinese Capitalism* Dexter Roberts brings to life the problems that China and its people face today as they attempt to overcome a divisive system that poses a serious challenge to the country's future development In so doing Roberts paints a boots on the ground cautionary picture of China for a world now held in its financial thrall Praise for *The Myth of Chinese Capitalism* A gimlet eyed look at an economic miracle that may not be so miraculous after all Kirkus Reviews A clearheaded and persuasive counter narrative to the notion that the Chinese economic model is set to take over the world Readers looking for an informed and nuanced perspective on modern China will find it here Publishers Weekly A sophisticated and readable take of China's triumphs and crises A first hand witness to China's transformation over the past quarter century Roberts credibly challenges the myth of China's inevitable rise and global dominance Ian Johnson Pulitzer Prize winning author and Beijing based correspondent A potent mix of personal stories and deft analysis *The Myth of Chinese Capitalism* takes a hard look at China's migrants and rural people Mei Fong Pulitzer Prize winning journalist and author of *One Child The Story of China's Most Radical Experiment*
