A Christmas Cracker Of Events, Happenings And Special Services So That Christmas Is Never Mis-spent Robert Parker, 2023-11-21 Worship in church can be very challenging especially with young people This book contains a range of services ideas designed especially for but not only young people Many of those who lead worship in churches schools youth centres etc need to become very focussed on young people around Christmas time but even when they think creatively they have neither time nor the resources to implement their ideas This book offers a wide off the peg range of services addresses for Advent and Christmas through which we believe it possible to create a sense of wonder awe and excitement We hope that as worship leaders explore what follows they will feel stimulated to dip into the contents offered and then create their own events and special services As readers explore man's relationship with God they will be led along paths that are as varied as the individual characteristics of those people Each and every path leads to moments of personal discovery and with these come satisfaction great humour and joy This book shares some of these awesome discoveries The ideas that follow are an attempt to demonstrate how different congregations have explored the God Man relationship and we hope the reader will be hugely stimulated and want to become creative in their own way this is the main purpose for this book The book is divided into 3 parts Section 1 is an event which can fill the Sermon Slot in a family service or a school assembly whether it is a Eucharist or another form of worship Section 2 is made up of a number of complete services each of

which stands in its own right Section 3 contains some ideas for embellishing both Sections 1 2 These can also be used as standalone pieces or interwoven with other themes created by the reader

Floodgates David R. Parsons, 2018-03-06 Where Are We on the Prophetic Timetable When Jesus's disciples asked for His views on the end times He pointed to the days of Noah as the key to unlock the timing of the coming of the Son of Man But what exactly did He mean by that Floodgates unravels precisely what happened in the Flood of Noah and explains why this important biblical event is so analogous to our day By tracking humanity's moral slide during Noah's generation we roll back the curtain on our own times in remarkable ways We also discover a clear biblical paradigm for determining where we are on the prophetic timetable based on the actual teachings of Jesus and the apostles After reading Floodgates you will know if the countdown to final judgment has already begun Reflecting careful research and keen biblical insights Floodgates reveals God's righteous dealings with humanity and the fate that soon awaits those now in open rebellion against Him Author David Parsons lays the axe to the root of this moral rebellion found in the collapsing claims of Darwinian evolution He also identifies God's end game His specific strategy for how He wants to bring this present age to a close As we draw nearer to that day Jesus calls every believer to be salt and light in the world warning people of the coming judgment and showing the way to eternal life in Him This book is a powerful reminder that everyone has a choice to make concerning their ultimate destiny and time is growing short
