No Home Like Place A Christian Theology Of Place:

No Home Like Place Leonard Hjalmarson, 2014-05-22 The sense of being lost displaced and homeless is pervasive in contemporary culture The yearning to belong somewhere to be in a safe place is a deep and moving pursuit Loss of place and yearning for place are dominant images Brueggemann The Land Fragmentation mobility dualism these forces work against our belonging and work against our richly dwelling in the places we live Add to these the rise of virtual place and relationships and our sense of displacement only increases It has been difficult to embrace a call to life as mission in this world under these conditions and equally difficult to embrace a call to place Are there sacred places If every place is sacred does the word lose its meaning What is it that God loves about place Can architecture contribute to our ability to engage in a place How do experiential human questions like belonging intersect with a theological lens Does a biblical view of place imply an ecology and an ethic How do pilgrimage and place relate How can the arts assist us in place making This book addresses these questions and more in a lively dialogue between theology and culture **Parish: An Anglican Theology of Place** Andrew Rumsey , 2017-06-30 The Anglican parish is uniquely embedded in English culture and society by virtue both of its antiquity and close allegiance with secular governance Yet it remains an elusive and surprisingly overlooked theme whose place theologically is far from certain Whilst ecclesiastical history has long formed a pillar of academic training for ordained ministry ecclesiastical geography has not contributing to the often uninformed assumptions about locality in contemporary church debate and mission strategy At a time when its relevance and sustainability are being weighed in the balance and with plans progressing for the Church in Wales abandonment of parochial organisation there is an urgent need for a clear analysis of the parish s historical geographical and sociological as well as theological significance Parish examines the distinctive form of social and communal life created by the Anglican parish applying and advancing the emerging discipline of place theology by filling a conspicuous gap in contemporary scholarship Andrew Rumsey will help in forming a vision for the future of the English parish system contribute towards the Church s strategy for parochial ministry and also inform the broader national conversation about localism and cultural identity **Place, Spirituality, and Well-Being** Victor Counted, Haywantee Ramkissoon, Laura E. Tentmakers James W. Watson, Narry F. Santos, 2022-09-27 Tentmaking is a growing reality in Western society that necessitates more reflection and relevant response from pastoral and mission leaders The need to consider bivocational or multivocational ministries is catalyzed by established congregations wrestling with decline in attendance by new immigrant communities looking for sustainable ways to minister and by misunderstanding or lack of information on the nature of this ministry approach This need is also triggered by the urgency to address biblical theological and pragmatic issues of tentmaking that can forge a way forward for the Canadian church in the midst of an uncertain future This volume seeks to forge a way forward as a result of the Canadian Multivocational Ministry Project CMMP a qualitative and community based research project among tentmaking pastoral leaders across Canada This research partnered with the Wellness Project Wycliffe which uses online questionnaires to assess wellness in congregational ministry The CMMP research report and the wellness findings form the basis of the multifaceted reflections in the book by Canadian scholars researchers and multivocational practitioners This book offers an accurate pulse of the challenges opportunities and future of tentmaking in relation to Christianity and the church in these uncertain times

Touched By This Place Valentín, Benjamín, 2024-06-12 Explores the ways in which geographic places influence and are influenced by human life thought and action

The Missional Quest Lance Ford, Brad Brisco, 2013-08-26 Lance Ford and Brad Brisco walk leaders through the major shifts involved in converting consumer model churches into congregations on a quest for the kingdom of God Addressing everything from sowing the seeds of incarnational thinking to stepping out in the local community The Missional Quest will prepare your church for the long run

Joining Lives Andrew Odle, 2017-01-06 We live in precarious times and are seeking to make a lasting impact through immediate solutions But in our haste we often make decisions to fix problems and persons

forgetting that we are not called to fix but rather to reconcile In this wide ranging collection of essays we explore what it might look like if we were to live in the world first with the purpose of reconciling and then allow that vision to guide our actions Each essay engages with reconciliation in different contexts providing meaningful and potentially transformative insights that will lead the reader to more faithful lives and activities The essays are not filled with theoretical reflections but with hard earned wisdom from proven thinkers practitioners and innovators *Body and Blood* Andrew R. Hardy, Keith Foster, 2019-06-07 The largest missional challenge facing the church of Christ in the West is to equip every member to engage in missionary endeavor in third places Third places are those social zones in society like coffee shops gyms shopping malls pubs etc that everyone and anyone can meet in as commonly owned spaces The authors argue that for too long the church has not equipped and trained its members to engage in mission in the public square The mobilization of every member to become the hands and feet of the missional sacramental body of Christ to carry the message of God's generous love to not yet Christians is vital if we want to witness the kingdom reign of God extend into their lives Places are important to the sovereign Lord of mission and this book challenges the churches of Christ to become what they properly need to be equipping agencies for every member mission and ministry **Rock Doctrine** Greg Anthony Crawford, 2024-07-05 When the Bible refers to Jesus as a cornerstone what was the intended meaning behind this symbolic expression Other literary references to rock and stone pervade the biblical narrative and provide metaphorical value to numerous subjects including God the temple and the eschatological kingdom to name a few Does the use of a common metaphor reveal a theological connection between these various referents Is there a progression of thought upon which each additional use of the metaphor expands This book explores the stone testimonia of Scripture and provides insight into how the connective tissue of the rock metaphor informs the Christology and ecclesiology developed within the New Testament canon Through examining the way in which New Testament authors interact with Old Testament passages this study reveals a more comprehensive way in which to understand Christ and his church in relation to stone imagery
