Sheep Farm A Tale Of The Kingdom

Giovanni Verga

Sheep Farm A Tale Of The Kingdom:

Sheep Farm Tyrone Flanagan, 2015-02-21 In the storied tradition of novels like *Animal Farm* by George Orwell and *Moby Dick* by Herman Melville my novel is an allegory that uses animal characters to tell a story This story is about actual events in church history from the time of Christ to the reign of the emperor Constantine The plot revolves around two young Wiltshire sheep and their journey to the land of the Great Shepherd Subsequent conflicts with the goats and a new farm owner result in great changes in the social order of sheep and eventually among goats and men The use of animal characters provides an unmatched vehicle for literary satire parody and description Many of the issues that the characters in *Sheep Farm* deal with are still issues in the church today This novel is more than fantasy or a satire it is a pointed social commentary

Life in the Country Giovanni Verga, 2018-08-28 Published in 1880 one year before Verga's influential novel *The Malavoglias* *Life in the Country* first marked his stylistic shift towards the verismo school of Italian realism The collection's centrepiece *Rustic Honour* *Cavalleria rusticana* which was famously adapted into a play by the author before becoming an opera by Mascagni tells the tale of Turiddu a poor young man who returns from military service and finds himself embroiled in adultery and a feud with a rival Also including the well known stories *She Wolf* and *Foxfur* *Life in the Country* captures in an objective non judgemental prose the difficult conditions and personal struggles of the peasant class in his native Sicily at the turn of the twentieth century
