Prophecy And Modern Times:

Prophecy and Modern Times W. Cleon Skousen, 2014-12-01 From the national bestselling author of *The Naked Communist*, *The Naked Capitalist* and *The 5000 Year Leap* comes *Prophecy and Modern Times* the decisive guide to understanding God's messages and finding hope in the modern era. Prophecy is not poetry. It is history in reverse. W. Cleon Skousen: Have you ever wondered what the ancient prophets had to say about the modern world? How to apply the messages of the scriptures to your own life? What the true purpose of prophecy is? Find these answers and more in *Prophecy and Modern Times*. Finding Hope and Encouragement in the Last Days: a brief but powerful exploration of six millennia worth of prophecies about society today. The prophets of Biblical times foresaw many of the complexities of the modern era with remarkable accuracy: conflicts in the Middle East and America, the rise of enormous economic and military powers and the stealthy corruption of nations and personal lives. Throughout history prophecies have been fulfilled literally as Skousen writes, shedding important light on how God communicates and how to interpret His messages in today's world. Through years of careful research and with a reporter's dedication to the truth, Skousen beautifully distills these many ancient warnings and promises into one clear, fascinating volume providing a deeper understanding of the scriptures for a new generation. Ezra Taft Benson, thirteenth President of the LDS Church, wrote in the foreword: Every person interested in present and future events in this war-torn world will profit from a careful perusal of these pages. Indeed, hundreds of thousands of readers over the past seventy years, including some of the country's greatest religious and political minds, have turned to this book for insight and encouragement in these troubled times. Praise for *Prophecy and Modern Times*: Valuable and worthwhile contribution to religious literature. Ezra Taft Benson, thirteenth President of the LDS Church. This release of *Prophecy and Modern Times* is timely not only in its relevant content but also in the message it brings to the table. Skousen reveals his brilliance in his organization of such a monumentally complicated task. He suggests how to interpret prophecy, tells us its purpose and our responsibility to understand it. Skousen is masterful. Gary D. Goodwin, Association for Mormon Letters. **Prophecy and Modern Times** W. Cleon Skousen, 2014-06-05 There is great hope and encouragement that come from studying the prophets and their prophecies about our day. Their inspiring messages give direction that point the way for anyone struggling or discouraged in these difficult and cloudy times. *Prophecy and Modern Times* is a delightfully arranged collection of prophecies from both ancient and modern prophets. A foreword by President Ezra Taft Benson sets the stage. Learn how to interpret and understand prophecy. Learn its purpose in your own life. Next, read about prophecies concerning America and Palestine and see how those ancient men foresaw events that we are living through right now. And lastly, read about the great prophecies of the return of Jesus Christ and how he will usher in a thousand years of peace, the great Millennium. The Association for Mormon Letters says: W. Cleon Skousen is masterful in his approach and delivery. **King Solomon's Empire: The Rise, Fall, and Modern-Day Influence of an Iron-Age Ruler** Archie W. N. Roy PhD, Margaret P.
