Prophets Son 1 Descent To Darkness:

Historical Phases of Prophetic Teaching Volume II Evelyn Theresa Watson, 2013-11 The author Evelyn Theresa Watson began her search of the scriptures with Genesis One where a primitive people said what they believed to be true about themselves and a creator named God She unveils the day by day metaphoric prophecy that qualifies the formative process of immortal life and mortal time said of God which became the signs of the times In this second volume of Historical Phases of Prophetic Teaching she distinguishes between two accounts of creation the first created of God and the second made by the LORD God The author presents this scriptural message in chapter verse subdivisions with descriptive headings that denote a statutory code of ethics in a systematic or set discourse of preceptive prophecy Through translated words the reader will gain spiritual insight into scriptural prophecy concerning what was said of the LORD God as God and the covenants he made with Noah Abraham and Moses Are you aware that a primitive account of immortality and mortality begins with THE FIRST BOOK OF MOSES CALLED GENESIS Are you seeking spiritual insight into the metaphoric mystery of biblical prophecy How does the primitive language of soul identify the generations in mortal immortal words of scriptural prophecy This commentary provides a systematic way for you to search the books of Genesis and Exodus for answers to these questions
