The Psychology of Revolution (Classic Reprint) Gustave Le Bon, 2017-09-17 Excerpt from The Psychology of Revolution The present age is not merely an epoch Of discovery it is also a period of revision of the various elements of knowledge Having recognised that there are no phenomena of which the first cause is Still accessible science has resumed the examination of her ancient certitudes and has proved their fragility To day she sees her ancient principles vanishing one by one Mechanics is losing its axioms and matter formerly the eternal substratum of the worlds becomes a simple aggregate of ephemeral forces in transitory condensation Despite its conjectural side by virtue Of which it to some extent escapes the severest form of criticism history has not been free from this universal revision There is no longer a single one of its phases of which we can say that it is certainly known What appeared to be definitely acquired is now once more put in question About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Evolution and the Need of Atonement (Classic Reprint) Stewart Andrew McDowall, 2017-07-16 Excerpt from Evolution and the Need of Atonement As the title indicates the main object of this book is not to offer a new theory of the Atonement Rather it is intended to Show that when the origin and history of man are studied from the scientific and especially the biological side the spiritual life its partial failure and the need for Atonement far from receding into vagueness and unreality are thrown into strong relief About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Classics, Love, Revolution Andrea Capra, Barbara Graziosi, 2024-03-27 Capra and Graziosi intervene in

current debates about classics and its relation to revolutionary ruptures nationalist movements and identity politics today They begin with *The Neoplatonists* an explicit love story posing as the work of an imaginary ancient Greek author but actually written by the Neapolitan revolutionary and classical scholar Luigi Settembrini 1813 1876 Offering the first English translation of the tale which because of its celebration of homosexuality long remained censored and unpublished they read it in the context of Settembrini's life scholarship and revolutionary politics Drawing strength from his legacies Capra and Graziosi go on to tackle the nostalgias of post truth politics today demonstrating the queer reparative potential of various strands of classical scholarship On the basis of archival research combined with literary and philosophical analysis they argue that a commitment to social justice and an investment in the study of Greco Roman antiquity can and even should be rooted in egalitarian embodied and joyous forms of love *Classics Love Revolution The Legacies of Luigi Settembrini* offers a reassessment of Italian homosexuality insurgence and scholarship while telling a moving story of love and resilience along the way *Postclassical Interventions* aims to reorient the meaning of antiquity across and beyond the humanities Building on the success of *Classical Presences* this complementary series features shorter length monographs designed to provoke debate about the current and future potential of Classical Reception through fresh bold and critical thinking

Trust, Politics and Revolution Francesca Granelli, 2019-12-04 Tracing the relationships and networks of trust in Western European revolutionary situations from the Ancient Greeks to the French Revolution and beyond Francesca Granelli here shows the essential role of trust in both revolution and government arguing that without trust both governments and revolutionary movements are liable to fail The first study to combine the importance of trust and the significance of revolution this book offers a new lens through which to interpret revolution in an essential work book for all scholars of political science and historians of revolution
