The Mystery and the power of prophetic prayer, Understanding how to pray prophetically Akwasi Acheampong ,2023-06-24 This book takes you on a journey of understanding the dynamics and the mechanism of praying prophetically in spiritual warfare It is birthed out of my experience as an intercessor and an individual with a passion for prayer and in strategic spiritual warfare Also this book is propelled by the burden I carry in my spirit and soul as well as the challenges I have encountered over the years and through the period of prophetic intercessions by dealing with my background issues I am of the conviction that I am a product of prayer prayer has been the necessity for my survival over the years Over the years in my growth as a child of God I have realized that a prayerful man is a very prophetic man in that God is a speaking God and His delight is that we will have constant fellowship with Him and know his intent concerning every aspect of our lives All this is because of His love for humanity therefore lovers of God become lovers of the prophetic **The Spiritual Warrior's Prayer Guide** Quin Sherrer,Ruthanne Garlock,2010-02-18 God s Word is the strongest weapon in a believer s spiritual artillery Quin Sherrer and Ruthanne Garlock bestselling authors of A Woman s Guide to Spiritual Warfare believe that when Christians use the Bible in intercession and warfare they bind the power of the evil one and declare God s promises and victory for their lives and for those they love In The Spiritual Warrior s Prayer Guide they show the reader how

to apply biblical promises to every area of life whether in illness financial trouble depression concern for wayward loved ones unemployment or spiritual confusion **Command the Night With 444 Prophetic Prayers to move from the Valley to Mountain Top** Tella Olayeri, 2020-12-05 This book stands out of all books that address issues to climb from the valley to mountain top Enemies believe you are dumped in the valley They are desperately wicked to keep souls in the valley of life Your problem is their joy your cry their laughter But this is not your portion This book is written to address it all It is titled command the night and move from the valley to mountain top This tells how bad the valley is With this book you will command the night and your life will not remain the same This is an opportunity to silence the enemy who thought he has the license to oppress you You shall no longer be a victim but a prayer warlord never shall you be beaten to the corner anymore Your day of liberty is here It is today Your star shall rise and shine your foundation shall no more be troubled You shall rise and leave the valley You shall be rooted in Christ and move forward by fire Obtain your copy and command the night 31 Days **PROPHETIC FAST & PRAYER: 31 Nights Of Prophetic Midnight Prayer Points**, EMMANUEL OKAFOR, 2025-10-04 Fasting and prayers is a way to humble yourself in the sight of God Psalm 35 13 Ezra 8 21 King David said I humbled my soul with fasting Psalm 69 10 You may find yourself relying on God more fully for strength when you fast Fasting and prayer can help us hear God more clearly Fasting and prayer are powerful spiritual disciplines that can deepen one's relationship with God and strengthen faith They involve giving up material things for spiritual purposes seeking guidance and humbling oneself before God When fasting is not added to your prayer it is robbed of its potential power Fasting and prayer is a personal commitment to renounce the natural to invoke the spiritual It is the language of a man burdened with a sense of need Fasting purifies the soul raises the mind subjects one's flesh to the spirit renders the heart contrite and humble scatters the clouds of spiritual errors quenches the fire of lust and kindles the true light of spirituality Moreover Midnight prayers offer a unique time for strong spiritual reflection and connection often described as a time of profound intimacy with God The night time prayer is a place where you can freely speak to God unburdened by the concerns of the day The secret of midnight is that it is the place where dreams are born and possibilities become reality Midnight Prayer is spiritual ecosystem where these unseen realities are usually downloaded to the natural worlds The more we pursue God in all His glory through prayer and fasting the more we reflect God in every aspect of our lives In the quiet hours of the night God can be most closely heard Midnight is the hour when the veil between heaven and earth weakens making divine communication more accessible Therefore our relationship with God in prayer should look like a consuming addiction in our lives not a convenient addition to our lives Devotion to prayer with fasting springs from dependence on God's power desperation for God's grace and dedication to God's agenda Have you any days of fasting and prayer Storm the throne of grace and persevere therein and mercy will come down John Wesley That's what I think fasting is at heart It's an intensification of prayer It's a physical explanation point at the end of the sentence We hunger for you to come in power It's a cry with your body I really mean it

Lord This much I hunger for you LORD Fasting and prayers in the Biblical sense is choosing not to partake of food because your spiritual hunger is so deep your determination in intercession so intense or your spiritual warfare so demanding that you have temporarily set aside even fleshly needs to give yourself to prayer and meditation EMMANUEL OKAFOR
