Protection, Security, and Safeguards Ann Hutchinson Guest, 2012-10-05 Much has changed on the security landscape since the last edition of this book was published in 2000 Today s security personnel face greater demands than ever before and are expected to be more highly trained and educated Updated to reflect the heightened security climate of the current age Protection Security and Safeguards Practical Approach **What They Didn't Teach at the Academy** Dale L.

June, 2017-07-27 While professional courses and how to manuals can prepare us for expected events that will occur in the course of our careers there remains an untapped reservoir of life experience that cannot be prepared for in training or study These events and experiences give texture and meaning to our work and shape our character Filled with stories of cour

Protection, Security, and Safeguards Dale L. June, 2000-06-28 Our need for security has not waned since the dawn of civilization it has only increased and become more complicated Protection Security and Safeguards Practical Approaches and Perspectives draws on the security prowess of former secret service agents and other notable security professionals as the authors touch on nearly every facet of the industry Written to satisfy the practical needs of anyone in the business of protection the text covers areas such as personal protection security in the workplace residence security healthcare security aviation security and many more Special chapters detailing the experiences of an identity theft victim as well as a woman who must employ 24 hour security to insure she doesn t harm others cover security issues from the client s viewpoint Other chapters on quick threat assessment and defensive tactics will help agents protect themselves and their clients Although other publications discuss and analyze security none focus on both the professional and personal perspectives of this critical industry Editor Dale L June shares his vast knowledge and lucid insight into the business of protection A former U S Secret Service agent in the Presidential Protection Division he also worked with the U S Customs Service as a terrorism intelligence specialist and was a former police officer He has more than 30 years experience in various fields of protection and security including owning and operating an executive protection and security consulting business He teaches university courses as well as security related topics at private vocational academies **Introduction to Executive Protection** Dale L June

, Elijah Shaw , 2021-08-29 Since its original publication in 1998 Introduction to Executive Protection has been considered the bible of the executive security industry Now in its 4th edition this new volume conceived and developed by Dale L June drawing from his experiences in the United States Secret Service law enforcement the private sector has been reworked and revised with new content chapters and input with over 60% new material Much more than simply an introduction this book is a powerful learning tool with the author now joined by Elijah Shaw one of the foremost experts in working globally with celebrities and other high net worth VIP s The authors include real world examples of bodyguards working with politicians and religious figures and dealing with everything from stalking to assassination attempts This volume further digs into the tactics and the mindset necessary for protectors to mitigate the risk of it happening to their clients Packed with tips for

successfully navigating the corporate celebrity dignitary sectors the reader will find in depth discussions on a variety of topics ranging from setting up estate security plans to working in and around private jets The world is changing daily and as both an educational and resource tool this book is sure to provide new outlooks for both the experienced and the newcomer alike What the Industry is Saying about the New Edition A comprehensive look at executive protection the profession and methods of practice This 4th edition is worth the read Monica Duperon Rodriguez Sr Manager Global Corporate Security and Risk Management Executive Protection Solutions LinkedIn It is important we don t forget the basic principals foundations This book is a great reminder Charles Randolph LTC RET President International Protective Security Board IPSB Dale and Elijah have forgotten more about the business of Protective Services than most will ever learn Mark SIX James Author Defensive Handgun II This is absolutely one of the top books I point to for people who are interested in getting into the profession Harlan Hucky Austin Founder Bodyguard Careers

The Re-Evolution of American Street Gangs Dale L. June, Mohamad Khatibloo, Gregorio Estevane, 2015-09-25 The problem of gangs and gang subculture is a growing threat to the stability of neighborhoods and entire communities During the past two decades gang members have increasingly migrated from large urban centers to suburban areas and other countries This book addresses the intricacies and diversities of street gangs drawing on the expertise of high ranking law enforcement officials monitoring terrorist activity and gang related crimes as well as professional private investigators who have spent several decades investigating gangs and learning their subculture lifestyle motivations and relationships Ideal for supplemental reading in gang violence courses on criminal justice sociology law and psychology this comprehensive anthology presents thorough coverage of a notoriously difficult subject It explores the following key topics Social psychological and criminal impact of street gangs on juveniles Psychology of gang membership and the pathways that lead into and out of gang culture Relationship between religion and dangerous criminal gangs How U S based gangs are using technology to advance their operations Use of graffiti by street gangs Evolution of gangs and recommendations for preventing future growth Gang enhancement crimes and associated misconduct of police and prosecutors Like any type of crime street gang criminal activity cannot be totally eliminated This book aims to provide a better understanding of gangs so that we can influence today s potential gang members to make the right decisions for their sake and the sake of society

State Lotteries Kasey Henricks, David G. Embrick, 2016-08-12 Fifty years ago familiar images of the lottery would have been strange as no state lottery existed then Few researchers have uncovered the obscure role lotteries play in the changing composition of American taxation Even less is known about what role race plays in this process More than simply taxing those on the social margins the emergence of state lotteries in contemporary American history represents something much more fundamental about state fiscal policy This book not only uncovers the underlying racial factors that contextualize lottery proliferation in the U S but also reveals the racial consequences that lotteries have in terms of redistributing tax liability
