Congress. Senate. Committee on Interior and Insular Affairs,1960 **Walking the Cape and Islands** David Weintraub,2010-01-01 The Cape and Islands Cape Cod Martha s Vineyard and Nantucket provide some of the best walking and hiking in coastal New England There is a great variety of terrain and scenery from the crashing Atlantic Ocean to pristine kettle ponds from densely wooded tracts to open expanses of salt marsh and from sandy shorelines to wildflower carpeted grasslands Walking the Cape and Islands is the first comprehensive guide to the area s best walking and hiking trails In includes 72 walks ranging in length from 0.4 miles to 11.2 miles and in difficulty from easy to difficult for each walk a complete route description driving directions to the trailhead and a detailed easy to read map at a glance Info providing essential information such as distance difficulty time to walk trail surface and more trail use data showing whether bicycles dogs or hunting are allowed on the described route and health stats showing the number of steps and estimated calories burned Although designed primarily for walkers and hikers this book will also appeal to joggers and mountain bicyclists The book is illustrated with photographs by the author a professional photographer **Castillo de San Marcos National Monument** United States. Congress. Senate. Committee on Interior and Insular Affairs. Subcommittee on Public Lands,1960 **Hearings** United States. Congress. Senate. Committee on Interior and Insular Affairs,1960 *Cape and Islands Locater* John W. Davenport,1989-04 **Scientific Investigations Report** ,2004 *Enchanted Summer* Cynthia Mascott,2007-06-15 A superb travel guide This book is what travel guides are supposed to be informative interesting and most of all fun Great research and the author s warm writing style make planning a leisurely holiday a pleasant experience Great suggestions for romantic getaways but there s plenty here for the whole family if you really want to bring the kids J Seriena This book made me ache for another visit to the Vineyard The author captures the very essence of the Cape Cod shores and the Vineyard and Nantucket And the charming illustrations add to the call of life at another pace and that life can truly be enjoyed one B it appears everyone and their mother is running an inn on the Massachusetts shore Mascott lets us know how many rooms are available and how they re decorated if you ll have to share a bath what the yard looks like and what to expect for food The listings also rank prices ranging from two dollar signs for inns and hotels that cost less than 100 a night not too many of those to four dollar signs for 200 and up The addition of Web and email addresses are helpful although most places don t have them The restaurants also appear to be plentiful and Mascott has done some yummy research Many of the listings include specific menu items that are good but others are as generic as traditional American

food There are a lot of historical tidbits in here locations of the nice beaches good places to ride bikes where to shop etc Pick up this book a few months ahead of your holiday and you ll be able to schedule every minute Foreword Magazine The print edition is 303 pages
