What can life teach us that school cannot?

Overview

Background In writing *The Outsiders*, Hinton immersed herself in the harsh realism of teens' lives. She wrote about real teen issues at a time when these topics were not popular in young adult literature. She exposed real teen behavior and problems in plots that included fighting, cigarette smoking, suicide, and underage drinking. The universality of its message is why *The Outsiders* has become a classic.

After reading the novel, Hinton's mother inquired, "Susie, where did you pick up all of this"? This lack of awareness about the reality of teens' lives was typical of most parents and teachers.

Book Summary Ponyboy Curtis belongs to the greasers, a group of social outcasts who live on the poor side of town. Their rivals, the Socials, come from affluent homes and seem to have all the advantages. The rivalry heats up when Johnny, a greaser, kills a Social in an attempt to save Ponyboy from an attack. Ponyboy struggles to make sense of his life while learning that all teens struggle with the same issues, no matter which side of town they live on.

About the Author

Susan Eloise Hinton was born during the 1950s in Tulsa, Oklahoma. She began writing *The Outsiders* when she was fifteen. She later had the story published during her freshman year at the University of Tulsa.

Hinton's publisher, worrying that the novel would not be respected because of Hinton's age and gender, encouraged Hinton to publish under her initials. Hinton agreed, preferring to publish under a different name to maintain her anonymity. Hinton went on to write more books, but none were as successful as *The Outsiders*.

The ALA and the *School Library Journal* chose Hinton to be the first recipient of the Margaret A. Edward Award. This award is given to authors whose books "have been accepted by young people as an authentic voice that continues to illuminate their experiences and emotions, giving insight into their lives."
