Presbyterian Call To Worship For July 7:

Journal of the Primary Council of the Protestant Episcopal Church in Colorado ..., 1888, *Let Them Be Not Forgotten* Michael Smathers, 2016-02-29 *Let Them Be Not Forgotten* is a book of funeral eulogies and meditations collected over forty years of ministry by the author. It is intended to keep alive the memories of some of those he has helped bury. For the Christian, the grave represents not only the end of life on earth but also the first step into a new existence. This book is designed to help the living maintain Communion with those Saints that have gone before them. It may also be of interest to genealogists and others who find it enlightening and edifying to study the past lives of their ancestors and predecessors. The book not only illuminates the lives of those profiled but weighs the heft of their character, the breadth of their contribution to their community, and the spirituality of their souls. **The Christian Union**, 1885 *From the Flag to the Cross* Amos Stevens Billingsley, 1872 *The Last Segregated Hour* Stephen R. Haynes, 2012-09-24 On Palm Sunday 1964 at the Second Presbyterian Church in Memphis, a group of black and white students began a kneel-in to protest the church's policy of segregation, a protest that would continue in one form or another for more than a year and eventually force the church to open its doors to black worshippers. In *The Last Segregated Hour*, Stephen Haynes tells the story of this dramatic yet little studied tactic, which was the strategy of choice for bringing attention to segregationist policies in Southern churches. Kneel-ins involved surprise visits to targeted churches, usually during Easter season, and often resulted in physical standoffs with resistant church people. The spectacle of kneeling worshippers barred from entering churches made for a powerful image that invited both local and national media attention. The Memphis kneel-ins of 1964-65 were unique in that the protesters included white students from the local Presbyterian college, Southwestern, now Rhodes. And because the protesting students presented themselves in groups that were mixed by race and gender, white church members saw the visitations as a hostile provocation and responded with unprecedented efforts to end them. But when Church officials pressured Southwestern president Peyton Rhodes to call off his students or risk financial reprisals, he responded that Southwestern is not for sale. Drawing on a wide range of sources, including extensive interviews with the students who led the kneel-ins, Haynes tells an inspiring story that will appeal not only to scholars of religion and history but also to pastors and church people concerned about fostering racially diverse congregations. **Public Ledger Almanac**, 1887 *The Presbyterian*, 1901 **History of Chicago: From 1857 until the fire of 1871** Alfred Theodore Andreas, 1885 *Christianity in the War* Amos Stevens Billingsley, 1872
