The Drama of Presidential Inaugurations and Inaugural Addresses from Washington through to Biden John R. Vile,2022-11-29 Every four years and on the death of presidents individuals take the oath of office prescribed in the US Constitution Formal inaugurations are accompanied by pomp that originated in ancient coronation ceremonies in a celebration that thousands of people attend in person and millions follow through electronic media After describing what such occasions from the inauguration of President George Washington through to that of Joe Biden have in common and how they have changed this book provides a chronologically arranged summary of each such inaugural ceremony and accompanying events as well as an analysis of each speech Although many are largely forgotten several such orations including those by Presidents George Washington Thomas Jefferson Abraham Lincoln Franklin D Roosevelt John F Kennedy and Ronald Reagan are rhetorical masterpieces All addresses provide snapshots of American ideals that will interest citizens historians and political scientists and be of service to reference librarians

The Religious Rhetoric of U.S. Presidential Candidates Arnaud

Vincent,2019-08-21 Drawing on corpus linguistic methods of analysis this book critically examines the rhetorical God gap in American political discourse between the Democratic and Republican parties The volume investigates the claims which have often not been substantiated by quantitative data in the literature and have tended to focus on particular genres of political discourse that there is a correlation between a higher degree of religiosity in Republican political discourse and voting preferences for the party and that Democratic politicians should engage in similar discourse toward closing the gap The book adopts a keyword approach using such techniques as collocation analyses concordance reading and Bible specific N gram

identification toward the study of a corpus of general campaign speeches over a 50 year period and links findings from this data with social and cultural contextual factors to provide a more informed understanding of rhetorical patterns in religiously laden political language The volume showcases the value of corpus linguistic methods in interrogating claims around political language and their broader applicability in linguistic research making this key reading for students and scholars in corpus linguistics critical discourse analysis American politics and religious studies

Eventually, you will categorically discover a extra experience and triumph by spending more cash. nevertheless when? do you agree to that you require to acquire those every needs past having significantly cash?
