World Religions Today 4th Edition:

World Religions in America, Fourth Edition Jacob Neusner, 2009-10-07 The fourth edition of *World Religions in America* continues its lauded tradition of providing students with reliable and nuanced information about America's religious diversity while also reflecting new developments and ideas. Each chapter was updated to reflect important changes and events and current statistics and information. New features include a timeline of key events and people for each tradition; sidebars on major movements or controversies; personal stories from members of various faiths; a theme-based organization of subjects; more subheads; three new chapters exploring America's increasing religious diversity and suggestions for further study.

After World Religions Christopher R. Cotter, David G. Robertson, 2016-02-05 The *World Religions Paradigm* has been the subject of critique and controversy in Religious Studies for many years. *After World Religions* provides a rationale for overhauling the *World Religions* curriculum as well as a roadmap for doing so. The volume offers concise and practical introductions to cutting-edge Religious Studies method and theory, introducing a wide range of pedagogical situations and innovative solutions. An international team of scholars addresses the challenges presented in their different departmental, institutional, and geographical contexts. Instructors developing syllabi will find supplementary reading lists and specific suggestions to help guide their teaching. Students at all levels will find the book an invaluable entry point into an area of ongoing scholarly debate.

World Religions Today John L. Esposito, Darrell J. Fasching, Todd Lewis, 2012 Revealing the significance of religion in contemporary life, *World Religions Today* Fourth Edition explores major religious traditions: Judaism, Christianity, Islam, Hinduism, Buddhism, East Asian Religions, indigenous religions, and new religions as dynamic, ongoing forces in the lives of individuals and in the collective experience of modern societies. This unique volume accomplishes two goals: it connects today's religions to their classical beliefs and practices and focuses on how these religions have responded to and been transformed by the modern world. The authors combine thorough coverage of the historical background of each religion with up-to-the-minute discussions of its current practices. The volume is enhanced by numerous pedagogical aids: text boxes, timelines, maps, illustrations, discussion questions, a comprehensive glossary of key terms, and suggestions for further reading, and more than 200 photographs. *World Religions Today* Fourth Edition is also available as two separate volumes: *Religions of Asia Today* Second Edition 978 0 19 975949 1 and *Religions of the West Today* Second Edition 978 0 19 975950 7.
