PROTOPRESBYTER MICHAEL POMAZANSKY

# Orthodox Dogmatic Theology A Concise Exposition

**Michael Pomazansky**

## **Orthodox Dogmatic Theology A Concise Exposition:**

Orthodox Dogmatic Theology Dumitru Staniloae, 2000-10-01 Staniloae seeks always to indicate the inner coherence of dogmatic truth and the significance of each dogma for the personal life of the Christian. It is the theologian's task to make manifest the link between dogma and personal spirituality to show how every dogma responds to a deep need and longing in the human heart and how it has practical consequences for society. Dogmas he is convinced do not enslave but liberate; theology is essentially freedom. Kallistos Ware *Orthodox Dogmatic Theology* Michael Pomazansky, 1994 **Orthodox Dogmatic Theology** Michael Pomazansky, 1985-10-01 **DOGMATIC THEOLOGY** Archim. Alipy Kastalsky-Borozdin, Archim. Isaiah Belov, **Modern Orthodox Theology** Paul Ladouceur, 2019-02-21 Modern Orthodox theology represents a continuity of the Eastern Christian theological tradition stretching back to the early Church and especially to the Ancient Fathers of the Church. This volume considers the full range of modern Orthodox theology. The first chapters of the book offer a chronological study of the development of modern Orthodox theology beginning with a survey of Orthodox theology from the fall of Constantinople in 1453 until the early 19th century. Ladouceur then focuses on theology in imperial Russia, the Russian religious renaissance at the beginning of the 20th century and the origins and nature of neopatristic theology as well as the new theology in Greece and Romania and tradition and the restoration of patristic thought. Subsequent chapters examine specific major themes: God and Creation, Divine humanity, personhood and human rights, The Church of Christ, Ecumenical theology and religious diversity, The Christification of life, Social and Political Theology, The Name of God, conflict, The ordination of women. The volume concludes with assessments of major approaches of modern Orthodox theology and reflections on the current status and future of Orthodox theology. Designed for classroom use, the book features case studies, a detailed index, a list of recommended readings for each chapter. **Eastern Orthodox Theology** Daniel B. Clendenin, 2003-10 A clear introduction to Eastern Orthodoxy and key aspects of the tradition. Now contains new articles and additional readings on Orthodoxy and evangelicalism. The Papacy: Revisiting the Debate Between Catholics and Orthodox Erick Ybarra, 2022-11-22 The Lord Jesus Christ intended his kingdom present on earth, the Church of God, to be one, holy, catholic and apostolic. Prior to the Protestant Reformation in the sixteenth century, history tells of the most egregious division in the Church between the Latin West and Byzantine East in AD 1054 and following. How can it be that Catholics and Orthodox share a thousand years of ecclesial life together in one faith, sacramental order and hierarchical government only to have that bond of communion broken? Historians and theologians throughout the years have spilled much ink in recounting the causes and effects of this dreadful and heart-wrenching division, and among the many debates that exist between Catholics and Orthodox, none are as vital to the task of reconciliation as the subject of the papacy. In *The Papacy: Revisiting the Debate between Catholics and Orthodox*, Erick Ybarra examines sources from the first millennium with a fresh look at how methodology and hermeneutics play a role in the reading of the same texts. In addition

he conducts a detailed investigation into the most significant points of history in order to show what was clearly accepted by both East and West in their years of ecclesiastical unity In light of this clear evidence the reader of The Papacy is free to decide whether contemporary Catholicism or Eastern Orthodoxy has maintained the heritage of the first millennium on the understanding of the Papal office     The Pocket Professor Religion Denis Boyles,Gregg Stebben,1999 From the five classical arguments for the existence of God to balancing yin and yang this compendium fires its canons separates teleology from theology and delineates the denominations     **Eastern Orthodox Christianity** Daniel B. Clendenin,2003-10 A clear introduction to Eastern Orthodoxy and key aspects of the tradition Includes new content and an updated bibliography

Orthodoxy, Modernity, and Authenticity Heather Bailey,2020-10-21 Ernest Renan was one of the most renowned European intellectuals of the second half of the nineteenth century Yet the impact of his most popular work Life of Jesus has been underestimated when not altogether ignored While commonplace now the idea that Jesus was merely human was at one time a novelty with significant socio political cultural and religious implications A case study in the Russian encounter with modernity Orthodoxy Modernity and Authenticity The Reception of Ernest Renan s Life of Jesus in Russia demonstrates that Renan s book has had long lasting and broad appeal in Russia because it presents an alternative to a strictly materialist worldview on the one hand and an Orthodox worldview on the other Renan offered his readers the possibility to accept the tenets of modernity while still retaining both an admiration for the importance of religion in history and a sense of religious feeling or even belief in a higher religious ideal Assessments of Renan s alternative belief system whether positive negative or mixed were often simultaneously evaluations of the moral socio political and spiritual condition of European society in general and Russian society in particular The interpretive history of Renan s Life of Jesus in Russia reveals a persistent disillusionment with a strictly materialist interpretation of history and of life

## Decoding **Orthodox Dogmatic Theology A Concise Exposition**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
