Karl K. Barbir

Ottoman Rule In Damascus 1708 1758 Princeton Legacy Library:

Ottoman Rule in Damascus, 1708-1758 Karl K. Barbir, 2014-07-14 On the basis of new evidence from the Ottoman archives in Istanbul Karl Barbir challenges the current interpretation of Ottoman rule in Damascus during the eighteenth century He argues that the prevailing themes of decline and stagnation usually applied to the entire century in fact apply only to the latter half of the century This discovery he contends affords a more balanced and realistic view of the Near East's Ottoman past than previous studies have suggested Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Encyclopedia of the Ottoman Empire Gábor Ágoston, Bruce Alan Masters, 2009 Presents a comprehensive A to Z reference to the empire that once encompassed large parts of the modern day Middle East North Africa and southeastern Europe

Betrayal Of Palestine Susan Boyle, 2018-03-05 This definitive biography of George Antonius tells the life story of a man who lived during a dramatic period of history amid challenge that remains unresolved the Palestine Zionist conflict Betrayal of Palestine is an important and innovative work about the continuing controversy of empire and nationalism This book traces Antonius's contribution and ideas on nation building and good governance and resonates for contemporary seekers of peace in the Middle East As an archaeology of ideas and meaning the book will be of great significance for the millennium It speaks to the paradigm of a conqueror's code and to the ever present danger of special interests capturing public policy and corrupting good governance By rediscovering Antonius's message about institutions and nation building and the true meaning of morality conscience and public service Betrayal of Palestine speaks to contemporary people in a voice that reconnects the past with the present The book offers hope to a region where many solutions have failed and a reminder that the solutions have been there all along in the people and traditions of the Middle East but they have been obscured by a conqueror's code of empire and nationalism It is a reminder of the genius of democracy and the power of first principles that ordinary people are important that power must be shared and that society as nation transcends tribalism and its more virulent contemporary form nationalism

A Modern History of the Kurds David McDowall, 2021-03-25 David McDowall's ground breaking history of the Kurds from the 19th century to the present day documents the underlying dynamics of the Kurdish question The division of the Kurdish people among the modern nation states of Iraq Turkey Syria and Iran and their struggle for national rights continues to influence the politics of the Middle East Drawing extensively on primary sources including documents from The National Archive and interviews with prominent Kurds the book examines the interplay of old and new aspects of the struggle the importance of local rivalries and leadership within Kurdish society and the failure of

modern states to respond to the challenge of Kurdish nationalism In this new and revised edition McDowall also analyses the momentous transformations affecting Kurdish socio politics in the last 20 years With updates throughout and substantial new material included this fourth edition of the book reflects the developments in the field and the areas which have gained importance and understanding This includes new analysis of the Kurdish experience in Syria the role of political Islam in Kurdish society and Kurds involvement in Islamist Jihad and issues surrounding women and gender that were previously overlooked from the impact of the women s equality movement to how patriarchal practices within the Kurdish community still limit its progress The foundation text for Kurdish Studies this book highlights in detail the changing situation of the Kurds across the Middle East

Sufism in Ottoman Egypt Rachida Chih,2019-04-17 This book analyses the development of Sufism in Ottoman Egypt during the seventeenth and eighteenth centuries Examining the cultural socio economic and political backdrop against which Sufism gained prominence it looks at its influence in both the institutions for religious learning and popular piety The study seeks to broaden the observed space of Sufism in Ottoman Egypt by placing it within its imperial and international context highlighting on one hand the specificities of Egyptian Sufism and on the other the links that it maintained with other spiritual traditions that influenced it Studying Sufism as a global phenomenon taking into account its religious cultural social and political dimensions this book also focuses on the education of the increasing number of aspirants on the Sufi path as well as on the social and political role of the Sufi masters in a period of constant and often violent political upheaval It ultimately argues that starting in medieval times Egypt was simultaneously attracting foreign scholars inward and transmitting ideas outward but these exchanges intensified during the seventeenth and eighteenth centuries as a result of the new imperial context in which the country and its people found themselves Hence this book demonstrates that the concept of neosufism should be dispensed with and that the Ottoman period in no way constituted a time of decline for religious culture or the beginning of a normative and fundamentalist Islam Sufism in Ottoman Egypt provides a valuable contribution to the new historiographical approach to the period challenging the prevailing teleology As such it will prove useful to students and scholars of Islam Sufism and religious history as well as Middle Eastern history more generally

The Culture of Sectarianism Ussama Makdisi,2000-07-03 A fresh interpretation of the development of sectarian identities and communal violence in Lebanon from the 1840s to the 1860s challenging those who have viewed sectarian violence as an Islamic reaction against westernization or as the product of social and economic inequities among religious groups

Provincial Elites in the Ottoman Empire Αντώνης Αναστασόπουλος,2005 Provincial elites were an important factor in the life of the Ottoman Empire in many respects as local leadership as political figures mediating between the central state and its provinces as tax farmers and entrepreneurs as role models for their peers There is a wide variety of people who may be regarded as belonging to the Ottoman provincial elites because of both the extensive territory occupied by the Empire and its longevity Eighteen contributions published in this volume discuss several aspects of Ottoman provincial

elites both Muslim and non Muslim Among the topics covered are the composition and characteristics of the elite elite culture patronage and wealth and power bases relations of elite figures with the state authorities and other members of the elite and elite mobility over an extensive period of time ranging from the fifteenth to the early twentieth century

Geschichte der Welt 1350-1750 Akira Iriye, Jürgen Osterhammel, Wolfgang Reinhard, 2014-10-17 Weltgeschichte ist lange Zeit als eine Geschichte des Aufstiegs und Niedergangs einer kleinen Zahl von Hochkulturen geschrieben worden Unter diesen Kulturen schienen Europa oder der atlantische Westen während der letzten Jahrhunderte nach den Kriterien Macht Wohlstand und kulturelle Kreativität zu dominieren Das neue sechsbändige Werk zur Weltgeschichte das von einem Team von Historikerinnen und Historikern vorwiegend aus den USA und Deutschland erarbeitet wird und das gleichzeitig bei C H Beck und Harvard University Press erscheint verabschiedet sich von diesen Traditionen Es leugnet die Errungenschaften des Westens nicht stellt sie aber in den größeren Zusammenhang gleichzeitiger Entwicklungen in anderen Teilen der Welt Dadurch wird das allmähliche dabei aber krisenhafte Entstehen des heutigen dicht integrierten und pluralistischen Weltzusammenhangs sichtbar Erstmals werden in diesen Bänden die Ergebnisse von mehreren Jahrzehnten internationaler Forschung zur Vorgeschichte der Globalisierung und zur Entwicklung von Gesellschaften und politischen Ordnungen auf allen Kontinenten von führenden Experten zusammenfassend dargestellt Weltgeschichte erscheint hier nicht als Aneinanderreihung einzelner Spezialgeschichten Die Aufmerksamkeit richtet sich auf bisher wenig beachtete Querbeziehungen und Wechselwirkungen auf Migrationen von Einzelnen und Gruppen und die Gründung neuer Gesellschaften auf die interkontinentale Ausbreitung von Technologien Religionen oder politischen Ideen auf globale Kommunikationsnetze Handelsströme und Konsummuster auf Imperialismus Kolonialismus und großräumige Kriege
