Our Presidents And Their Prayers Proclamations Of Faith By Americas Leaders:

Our Presidents & Their Prayers Rand Paul,2015 **Our Presidents & Their Prayers** Rand Paul,James Robison,2015-10-20 What is the single most important common thread that unites all American Presidents such a small number of extraordinary people from different centuries parties backgrounds and experiences as they shoulder the overwhelming responsibilities of the office of President of the United States There is only one possible answer their faith As a respected national leader and a man of deep faith himself Senator Rand Paul has written OUR PRESIDENTS THEIR PRAYERS in collaboration with James Randall Robison to remind us all that in a country founded by religious people that abiding and rock solid belief in God has been the key to each and every president s strength Senator Paul s inspiring look into the heart felt sentiments and personal prayers of leaders past and present becomes a powerful testament to our incredible accomplishments winning the Revolution writing the Constitution and leading the world as the most exceptional and longest lasting democracy in history It s nothing short of a miracle then and now Every man who has answered the people s call to become President has looked for and found answers in his faith as he faced the nation s problems and each president has frequently described his reliance on the Creator in his public speeches official proclamations and private prayers Join Senator Paul in applauding the important role faith has played in our country through over 225 years of triumphs and struggles justice and injustice accomplishments and setbacks war and peace In OUR PRESIDENTS THEIR PRAYERS Senator Paul stands up to the doubters in this most timely and important affirmation of how faith and prayer have always guided us and why they must continue to do so as we face major decisions for the future of our country Weekly Compilation of Presidential Documents ,1998 Public Papers of the Presidents of the United States United States. President,2004 Containing the public messages speeches and statements of the President 1956 1992 **The Code of Federal Regulations of the United States of America** ,1983 The Code of Federal Regulations is the codification of the general and permanent rules published in the Federal Register by the executive departments and agencies of the Federal Government Public Papers of the Presidents of the United States Ronald Reagan,1988 This Dangerous Book Steve Green,Jackie Green,2017-11-07 From Steve and Jackie Green founders and curators of the Museum of the Bible a fascinating exploration of the history authenticity and power of the Bible the book that has changed people and nations throughout the centuries It is the top selling book in history It brings social upheaval international arguments and political controversy It has been used to justify both love and war And for generations it has found its way into the hearts of millions offering comfort direction and life changing truths How could one book have such power In This Dangerous Book Steve and Jackie Green explore the incredible history and impact of the Bible As the founders and visionaries of the Museum of the Bible in Washington D C the Greens have a unique perspective on the Bible s journey from its ancient beginnings to its effect on the moral fiber of nations to its transformative influence in individual hearts The Greens share the challenges they have faced in

acquiring biblical artifacts from around the world and why generations in every time period and in every geographical location have risked their lives to preserve this precious book Exploring ancient tablets medieval commentaries and modern translations This Dangerous Book offers fascinating insight into the miracles and martyrdoms that have led to the Scriptures we read today The Greens explore how cutting edge technology gives new insight into the authenticity of the Bible including the work of fifty scholars who recently uncovered hidden details about thirteen unpublished Dead Sea Scroll fragments This Dangerous Book also looks at the link between the Hebrew Bible and the New Testament what we can learn from how the Bible was passed down to us and why God s Word is foundational to America s past and crucial for its future The Bible is a world changer and a heart changer Whether you have read the Bible for years or are simply curious about its influence This Dangerous Book could change your heart as well Monthly Entries for the Spiritual but not Religious through the Year
Mark G. Boyer,2022-08-30 This is a book about spirituality for the spiritual but not religious Those who identify themselves as spiritual but not religious make up one quarter of the population in the United States This book provides 189 monthly entries based on the national and international celebrations that occur every month Each entry begins with the name of the occasion and the date when it is marked during the month A text from the Bible a US public law a presidential proclamation a United Nations declaration etc that illustrates the day is presented The text is followed by a reflection which gleans the spirituality from the text and provides historical background on the day being celebrated Journal meditation questions follow the reflection and a prayer concludes the entry This book is for the spiritual but not religious a practice of spirituality that does not regard organized religion as a valuable means to further interior spiritual growth A section of the introduction to the book explores who the spiritual but not religious are and presents the common themes that surface from research about them My God Shall Supply All My Needs Funmi Afolabi,2011-06-18 God Almighty is a loving God who longs to reach out to all mankind to make provisions for their needs and sometimes their wants He is dependable and trustworthy So as we obey and trust in him he will surely supply all our needs in any area that such needs arise and sometimes before the needs arise The book is written to encourage the reader to trust and lean on God who is able supply our needs according to his riches in glory by Christ Jesus Code of Federal Regulations ,1983 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries
