Our Search for Happiness M. Russell Ballard, 1993-01-01 **Mormon Church Doctrines** **Searching for Faith** W. Ross Winterowd, 2004-08-20 **Searching for Faith** A Skeptic's Journey is intended for the general reader It is not a scholarly book however it is the result of a decades long interest in how readers read and how texts convey their meaning leavened by a very personal commitment to the quest for faith It explores timely questions that must concern anyone who thinks about faith particularly insofar as faith is based on the Bible **The Sisterhood** Dorothy Allred Solomon, 2025-10-16 Many hold a deep fascination with Mormonism but erroneously think of it as a secret religion that celebrates polygamy and confinement Most outsiders regard Latter day Saint women as submissive and pitiable In **The Sisterhood** award winning author Dorothy Allred Solomon takes us inside the lives of women of the faith She focuses on the roles of Mormon women in the nineteenth

twentieth and twenty first centuries including fascinating personal stories about family children and husbands She takes us into the lives of the High Priestesses of the Church draws on histories sustained by the most thorough genealogical records in the world and addresses the wives of polygamists **The Sisterhood** sheds light on an expanding and complex religion and offers a long overdue portrait of Mormonism and women **The Complete Idiot's Guide to Understanding Mormonism**

Drew Williams, 2003-06-03 From its founding in pioneer times to the present day the Church of Jesus Christ of Latter Day Saints has been both mysterious and misunderstood with some Protestant faiths not even recognizing the Mormons as Christians This fascinating guide debunks the myths of Mormonism and reveals its history faith and culture *Our Search for Happiness* M. Russell Ballard, 1995 **Eternity in the Ether** Gavin Feller, 2023-01-10 Mass media and the Church of

Jesus Christ of Latter day Saints evolved alongside each other and communications technology became a fundamental part of the Church's institutions and communities Gavin Feller investigates the impact of radio television and the internet on Mormonism and what it tells us about new media's integration into American life The Church wrestled with the promise of new media to help implement its vision of Zion But it also had to contend with threat that media posed to the family and other important facets of the Latter day Saint faith Inevitably media technologies forced the leadership and lay alike to reconsider organizational values and ethical commitments As Feller shows the conflicts they faced illuminate the

fundamental forces of control and compromise that enmesh an emerging medium in American social and cultural life
Intriguing and original Eternity in the Ether blends communications history with a religious perspective to examine the
crossroads where mass media met Mormonism in the twentieth century **Apostolic Succession in the Restoration**
Kevin L. Tolley, Patrick A. Bishop, 2023-04-17 This unique chronology of the history of the Church of Jesus Christ of Latter day
Saints follows the Lord s chosen representatives as they were called and released as members of the Quorum of the Twelve
Apostles Beginning with Joseph Smith s ordination in 1829 to the present day the life of every man who has served in these
presiding quorums is illustrated in the brief narratives of this informative and well written volume Now is the perfect time to
learn the gospel with your family and discover the humble beginnings of the Lord s Church in these latter days This work
honors the noble men who sacrificed their time and talents to unselfishly serve those around them It is an excellent
reference for anyone looking to study Church history and the apostolic governing bodies of the Church Understand the order
of succession to the presidency and see firsthand the challenges these quorums faced as they learned line upon line the Lord
s will in fulfilling their sacred callings
