Our Artists Our Friends Galerie:

The Art of Friendship Kim Wier, 2020-01-07 In this age of limitless digital connections we are somehow lonelier than ever This isn't just bad news it's dangerous news Loneliness puts us at greater health risk than smoking or obesity but we would sooner label ourselves overweight than admit we are lonely It is a secret that is killing us Contrary to all our efforts the answer is not found in more connections but deeper ones that mirror God himself as the originator of friendship and the original Friend The Art of Friendship walks with you into a greater understanding of how God has equipped you to be a friend and to have meaningful friendships With step by step guidance you will begin to strategize how to fulfill your divine calling as a friend And through God's Word as you come to understand the depth and width and breadth of God as Friend you will discover that the spiritual discipline of friendship is both life changing and life giving **The Art Interchange** ,1899
