Our Time Breaking The Silence Of Dont Ask Dont Tell

James Parco, David Levy

Our Time Breaking The Silence Of Dont Ask Dont Tell:

Our Time Josh Seefried, 2011-10-13 Active duty LGBT soldiers share their stories of serving under Don't Ask Don't Tell revealing an intimate portrait of military life *Our Time* marks the end of more than a decade of silence giving voice to the LGBT men and women who served under Don't Ask Don't Tell These individuals enlisted knowing that the military would ask them to bury an integral part of themselves and yet joined because of their deep belief that the values of the military were worth the tremendous sacrifice *Our Time* is their story Edited by air force officer J D Smith a cofounder of the underground LGBT military organization OutServe *Our Time* is a collection of remarkable depth and diversity We witness the abuse physical and mental endured at the hands of fellow soldiers and superiors We see the hardships faced by their families and partners and feel the pain of the choice between military and self There are also examples of humanity at its very best leaders with the courage to support their comrades in the face of tremendous pressure friendships forged and minds opened and love that endures the very toughest of odds Throughout we are reminded of the bravery and selflessness of the men and women who chose to serve our country and defend our liberties while their own freedom was withheld At once a testament to the wrongs of the policy and a celebration of the good that endured in spite of it *Our Time* marks the start of a new era in our national history

Evolution of Government Policy Towards Homosexuality in the US Military James Parco, David Levy, 2016-09-17 Throughout history homosexuality has been a complicating factor for men and women electing to serve in the armed forces of the United States The right to serve became increasingly complicated when the Department of Defense responded to congressional legislation in 1993 by adopting a policy that later became known as don't ask don't tell DADT DADT permitted homosexual members to serve in the forces so long as they showed no evidence of homosexual behavior The compromise policy remained in force until Congress passed the Don't Ask Don't Tell Repeal Act of 2010 and finally in September 2011 the ban on gay men and lesbians serving openly in the US armed forces officially came to an end Reflecting on the 20 year period governed by DADT this volume explores the history culture attitudes and impacts of policy evolution from the mid 20th Century through to the present day It not only provides insight to the scholarly field of how the most powerful institution in the world has viewed and dealt with homosexuality as it transitioned into the 21st century but it is also poised to become a seminal collection for researchers in the decades to come This book was originally published as a special issue of the Journal of Homosexuality Parco and Levy have produced a fine edited volume dedicated to deepening our understanding of the federal DADT policy What has resulted is a deep analysis of the federal policies regarding gays and lesbians in the U S military This volume is filled with rich descriptions and analyses written by the very best thinkers about issues pertaining to gays and lesbians in the U S military Parco and Levy not only offer a comprehensive treatment of DADT but their book will stand the test of time and spur additional important research about gay lesbian bisexual and queer service members The Rise and Fall of DADT is accessibly written and offers readers a comprehensive understanding of the DADT

federal policy and the attendant issues of equity social justice and ever changing attitudes about LGBTQ people related to the U S military and to the larger American society John P Elia Ph D Editor in Chief Journal of Homosexuality and Professor and Associate Chair of Health Education at San Francisco State University USA As Assistant Secretary of Defense for Public Affairs from 2010 to 2012 and the first openly gay senior official to serve at the Pentagon I was witness to and honored to be an active participant in the historic process that led to the ban on discrimination against lesbian and gay service members men and women who had been hiding in plain sight while risking their lives to serve their country honorably In this volume Jim Parco and Dave Levy provide what is perhaps the most comprehensive account to date of the evolution of US government policy regarding LGBT service members Their study includes outstanding firsthand narratives by many friends who played central roles in the repeal of Don t Ask Don t tell including Sue Fulton Jonathan Lee and former Congressman Patrick Murphy Parco and Levy provide the opportunity for scholars experts and ordinary citizens from all walks of life to share in those journeys and in the very positive results that were achieved Douglas B Wilson former Assistant Secretary of Defense for the United States

Managing Sex in the U. S. Military Beth Bailey,Alesha E. Doan,Shannon Portillo,Kara Dixon Vuic,2022-05 The U S military is a massive institution and its policies on sex gender and sexuality have shaped the experiences of tens of millions of Americans sometimes in life altering fashion The essays in *Managing Sex in the U S Military* examine historical and contemporary military policies and offer different perspectives on the broad question How does the U S military attempt to manage sex This collection focuses on the U S military s historical and contemporary attempts to manage sex a term that is in practice slippery and indefinite encompassing gender and gender identity sexuality and sexual orientation and sexual behaviors and practices along with their outcomes In each chapter the authors analyze the military s evolving definitions of sex sexuality and gender and the significance of those definitions to both the military and American society

[The Sage Encyclopedia of LGBTQ+ Studies, 2nd Edition](#) Abbie E. Goldberg,2024-01-16 The SAGE Encyclopedia of LGBTQ Studies 2nd Edition is aimed at students and educators interested in an interdisciplinary perspective on LGBTQ issues It examines and provides understandings of the lives and experiences of LGBTQ individuals with attention to the contexts and forces that shape their world The volume addresses questions such as What are the key theories used to understand variations in sexual orientation and gender identity What does LGBTQ affirmative therapy look like How have anti LGBTQ ballot measures affected LGBTQ people What are LGBTQ people s experiences during COVID 19 How were LGBTQ people impacted by the Trump administration What is life like for LGBTQ people living outside the United States This encyclopedia looks at LGBTQ issues and identity primarily through the lenses of psychology human development and sociology while emphasizing queer feminist and ecological perspectives on this topic Entries are written by top researchers and clinicians across multiple fields psychology human development gender queer studies sexuality studies social work nursing cultural studies education family studies medicine public health and sociology

A People's History of the U.S.

Military Michael A. Bellesiles, 2012-09-11 In *A People's History of the U.S. Military* historian Michael A. Bellesiles draws from three centuries of soldiers' personal encounters with combat through fascinating excerpts from letters, diaries, and memoirs as well as audio recordings, film, and blogs to capture the essence of the American military experience firsthand from the American Revolution to the wars in Iraq and Afghanistan. Military service can shatter and give meaning to lives; it is rarely a neutral encounter and has contributed to a rich outpouring of personal testimony from the men and women who have literally placed their lives on the line. The often dramatic and always richly textured first-person accounts collected in this book cover a wide range of perspectives from ardent patriots to disillusioned cynics, barely literate farm boys to urbane college graduates, scions of founding families to recent immigrants, enthusiasts and dissenters, women disguising themselves as men in order to serve their country, to African Americans fighting for their freedom through military service. A work of great relevance and immediacy as the nation grapples with the return of thousands of men and women from active military duty, *A People's History of the U.S. Military* will become a major new touchstone for our understanding of American military service.

The SAGE Encyclopedia of LGBTQ Studies Abbie E. Goldberg, 2016-05-10 This far-reaching and contemporary new Encyclopedia examines and explores the lives and experiences of Lesbian, Gay, Bisexual, Transgender, and Queer LGBTQ individuals, focusing on the contexts and forces that shape their lives. The work focuses on LGBTQ issues and identity primarily through the lenses of psychology, human development, and sociology, emphasizing queer, feminist, and ecological perspectives on the topic and addressing questions such as: What are the key theories used to understand variations in sexual orientation and gender identity? How do Gay-Straight Alliances (GSA) affect LGBTQ youth? How do LGBTQ people experience the transition to parenthood? How does sexual orientation intersect with other key social locations such as race to shape experience and identity? What are the effects of marriage equality on sexual minority individuals and couples? Top researchers and clinicians contribute to the 400 signed entries from fields such as Psychology, Human Development, Gender, Queer Studies, Sexuality Studies, Social Work, and Sociology. The SAGE Encyclopedia of LGBTQ Studies is an essential resource for researchers interested in an interdisciplinary perspective on LGBTQ lives and issues.

Gay Mental Healthcare Providers and Patients in the Military Elspeth Cameron Ritchie, Joseph E. Wise, Bryan Pyle, 2017-11-18 This volume tells the history of homosexuality in the United States military, beginning in 1986 when the issue first came to the forefront of social consciousness. Each chapter is written through the eyes of gay mental healthcare providers, covering how to steadily adapt and learn to treat veterans struggling with the traumas associated with the stigma of homosexuality in service. Topics include the Don't Ask, Don't Tell (DADT) policy, its repeal in 2011, and addresses the current trends and challenges. Unlike any other professional book, this text includes the personal stories of gay military mental healthcare providers as well as gay civilian clinicians who have worked with the military population in various segments in history. These accounts offer invaluable support for medical professionals working with this demographic. Chapters cover the various psychological damage service

personnel encounter as it uniquely pertains to those struggling with the stigma of LGBTQ rights Chapters include clinical pearls for particular psychiatric concerns lessons learned for the future and hard earned successes as stigmas and perceptions evolved over time Gay Mental Healthcare Providers and Patients in the Military is an excellent resource for psychiatrists psychologists social workers policymakers and all professionals who are interested in LGBTQ rights in the context of veteran psychiatry

America, Sea Power, and the World James C. Bradford, John F. Bradford, 2022-11-29 The gold standard in college level American naval history texts edited by the foremost scholar in the field In the newly revised second edition of America Sea Power and the World a team of distinguished researchers delivers an extensive and authoritative survey of American naval history the place of the United States in world affairs and the role of that country's naval forces during peacetime and wartime Each chapter contains a comprehensive analysis of its subject as well as brief sidebars describing a key weapon or technological development of the era and a short biographical sketch of an influential leader or representative of the navy from that era The book offers extensive illustration and maps and a throughgoing emphasis on naval policy strategy roles and missions with careful attention paid to naval operations These factors given greater focus than the descriptions of battle tactics found in other texts Readers will also find A thorough introduction to sea power and the modern state system as well as the American War for Independence at sea Comprehensive explorations of the genesis of the United States Navy from 1785 to 1806 Practical discussions of the Naval War of 1812 and the Confirmation of Independence from 1807 to 1815 and the Squadron Navy as an agent of the commercial empire until 1890 Fulsome treatments of the Second World War in the Atlantic Mediterranean and the Pacific including defensive actions in the Pacific from 1937 to 1943 and offensive actions from 1943 to 1944 New chapters exclusive to the 2nd edition focused on the history of African Americans and women in the US Navy the development of joint operations and unified command and the naval history of the last two decades Perfect for undergraduate students taking courses on the naval history of the United States America Sea Power and the World Second Edition will also earn a place in the libraries of members of the general public interested in naval and military history

Mother Jones Magazine ,1984-02 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

Lost Masters Linda Johnsen, 2016-10-15 Ashrams in Europe twenty five hundred years ago Greek philosophers studying in India Meditation classes in ancient Rome It sounds unbelievable but it's historically true Alexander the Great had an Indian guru Pythagoras Empedocles and Plotinus all encouraged their students to meditate Apollonius the most famous Western sage of the first century c e visited both India and Egypt and claimed that Egyptian wisdom was rooted in India In Lost Masters award winning author Linda Johnsen digging deep into classical sources uncovers evidence of astonishing similarities between some of the ancient Western world's greatest thinkers and India's yogis including a belief in karma and reincarnation Today ancient Greek philosophers are remembered as the founders of Western science and civilization We've

forgotten that for over a thousand years they were revered as sages masters of spiritual wisdom Lost Masters is an exploration of our long lost Western spiritual heritage and the surprising insights it can offer us today
