Thornton Wilder's The Skin of our Teeth Kyle Gillette, 2016-09-13 Ladies and gentlemen I m not going to play this particular scene tonight Sabina Thornton Wilder s The Skin of Our Teeth 1942 telescopes an audacious stretch of western history and mythology into a family drama showing how the course of human events operates like theatre itself constantly mutable vanishing and beginning again Kyle Gillette explores Wilder s extraordinary play in three parts Part I unpacks the play s singular yet deeply interconnected place in theatre history comparing its metatheatrics to those of Stein Pirandello and Brecht and finding its anticipation of American fantasias in the works of Vogel and Kushner Part II turns to the play s many historic and mythic sources and examines its concentration of western progress and power into the model of a white American upper middle class nuclear family Part III takes a longer view tangling with the play s philosophical stakes Gillette magnifies the play s ideas and connections teasing out historical theoretical and philosophical questions on behalf of readers scholars and audience members alike

Another Day's Begun Howard Sherman, 2021-01-14 A work of startling originality when it debuted in 1938 Thornton Wilder s *Our Town* evolved to be seen by some as a vintage slice of early 20th Century Americana rather than being fully appreciated for its complex and eternal themes and its deceptively simple form This unique and timely book shines a light on the play s continued impact in the 21st century and makes a case for the healing powers of Wilder s text to a world confronting multiple crises Through extensive interviews with more than 100 artists about their own experience of the play and its impact on them professionally and personally and including background on the play s early years and its pervasiveness in American culture *Another Day s Begun* shows why this particular work remains so important essential and beloved Every production of *Our Town* has a story to tell beyond Wilder s own One year after the tragedy of 9 11 Paul Newman in his final stage appearance played the Stage Manager in *Our Town* on Broadway Director David Cromer s 2008 Chicago interpretation would play in five more cities ultimately becoming New York s longest running *Our Town* ever In 2013 incarcerated men at Sing Sing Correctional Facility brought Grover s Corners inside a maximum security prison After the 2017 arena bombing in Manchester UK the Royal Exchange Theatre chose *Our Town* as its offering to the stricken community 80 years after it was written more than 110 years after its actions take place *Our Town* continues to assert itself as an essential play about how we must embrace and appreciate the value of life itself *Another Day s Begun* explains how this
