Out Of Left Field Marlees Story:

Representing the Rainbow in Young Adult Literature Christine A. Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don't always know what books offer well rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In *Representing the Rainbow in Young Adult Literature* LGBTQ Content since 1969 Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of *The Heart Has Its Reasons* this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives

The Last Kid Left Rosecrans Baldwin, 2025-06-25 When a scandalous small town crime goes viral a teen girl takes center stage in Rosecrans Baldwin's story of a 21st century Puritan witch hunt *The Last Kid Left* begins when a car smashes into a sculpture of a giant cowgirl The police find two bodies in the trunk 19 year old Nick Toussaint Jr is arrested for murder and after details of the crime rip across the internet his 16 year old girlfriend Emily Portis a sheltered teen who's been off the grid until now her first romance coinciding with her first cellphone is nearly consumed by a public hungry for every lurid detail accurate or not Emily and Nick are not the only ones whose lives come unmoored A retired police officer latches onto the case Nick's alcoholic mother is thrust into an unfamiliar role A young journalist who left her hometown behind is pulled into the fray And Emily's father the town Sheriff is finally forced to confront a monstrous secret *The Last Kid Left* is a bold searching novel about how our relationships operate in a hyper connected world an expertly portrayed account of tragedy turned mercilessly into entertainment And it's the suspenseful unwinding of a crime that's more complex than it initially seems But mostly it's the story of two teenagers dismantled by circumstances and rotten luck who are desperate to believe that love is enough to save them
