The Dream App Faheem Najiy, 2017-06-27 This original work of fiction is replete with plenty of soulfully constructed images and intrigue Additionally it will introduce young characters who interact with contemporary themes with a design on arousing the curiosity and inciting the unbridled sense of wonder lying within us all The familiar question in our American vernacular that will drive this and subsequent adventures of the young protagonist is Well do you know what they say This rhetorical question opens the doors for disseminating timely mundane and spiritual tidbits of wisdom that through human experience have stood the test of time Call them axioms adages or just plain and simple insight into the way life truly works even as we allow their anecdotal audacity to guide and protects us from our negative conclusions we can also delight in knowing that their commissions among us are infinite Like all stories about life the principle players in these tales are good versus evil and in this very troubling time in the history of our species where social media has created a Frankenstein of asocial behavior there is a moral clause that hopefully compels every reader to see themselves and begin to think and to feel and learn while being entertained And so it begins **Every Saturday**, 1869

Eisenhower Jim Newton, 2011-10-04 Newton s contribution is as cogent an inventory of Eisenhower s White House years as I ve ever read He blends masterful writing with historic detail and provides the value added of Ike as the man and the leader Chuck Hagel Distinguished Professor Georgetown University U S Senator 1997 2009 Newly discovered and declassified documents make for a surprising and revealing portrait of the president we thought we knew America s thirty fourth president was belittled by his critics as the babysitter in chief This new look reveals how wrong they were Dwight Eisenhower was bequeathed the atomic bomb and refused to use it He ground down Joseph McCarthy and McCarthyism until both became as he said McCarthywasm He stimulated the economy to lift it from recession built an interstate highway system turned an 8 billion deficit in 1953 into a 500 million surplus in 1960 Ike was the last President until Bill Clinton to leave his country in the black The President Eisenhower of popular imagination is a benign figure armed with a putter a winning smile and little else The Eisenhower of veteran journalist Jim Newton s rendering is shrewd sentimental and

tempestuous He mourned the death of his first son and doted on his grandchildren but could one aide recalled peel the varnish off a desk with his temper Mocked as shallow and inarticulate he was in fact a meticulous manager Admired as a general he was a champion of peace In Korea and Vietnam in Quemoy and Berlin his generals urged him to wage nuclear war Time and again he considered the idea and rejected it And it was Eisenhower who appointed the liberal justices Earl Warren and William Brennan and who then called in the military to enforce desegregation in the schools Rare interviews newly discovered records and fresh insights undergird this gripping and timely narrative JIM NEWTON is a veteran journalist who began his career as clerk to James Reston at the New York Times Since then he has worked as a reporter at the Atlanta Constitution and as a reporter bureau chief and editor at the Los Angeles Times where he presently is the editor at large and author of a weekly column He also is an educator and author whose acclaimed biography of Chief Justice Earl Warren Justice for All Earl Warren and the Nation He Made was published in 2006 He lives in Pasadena CA [Cumulated Index to the Books](#) ,1943 [Lifting the Stone and other Adventures](#) Judy Metliss,2024-12-06 These journeys record the adventures of a woman who isn t afraid to travel alone They are a mesmerising and immersive read pulsating with humour and energy The writing itself is beautiful and extraordinarily vivid Every place that she visits is brought to life and imbued with a charming atmosphere The stories are grounded in fact and characterised by a profound honesty Her unique personal style shines out in the face of an increasingly grey and uniform world Lifting the Stone and Other Adventures is about the past re visited and describes a world in the context of the author s romantic encounters that is based on appearances It is a world of male domination and control in which the feminine the soul is stored This piece is the background to the urban adventures and the reader is invited to view the show this world of delightful appearances as a product of repression Any writing that is worth its salt aspires to the universal to what touches us all **THE FINAL QUARTER** Ken Veit,2017-10-15 What to do with the Final Quarter of your life presumably post retirement Everything that those approaching or in retirement need to know but often are uncomfortable discussing or asking about The author treats serious subjects with wit and from his own experiences but he does not shy away from expressing opinions that may offend some readers even as they encourage fresh thinking
