Preventing The Sexual Victimization Of Children Psychological Legal And Public Policy Perspectives:

Preventing the Sexual Victimization of Children Charles Patrick Ewing, 2014 Preventing the Sexual Victimization of Children is the first book to critically evaluate national and international efforts to reduce child sexual abuse and ameliorate its effects

Preventing the Sexual Victimization of Children Charles Patrick Ewing, 2013 Preventing the Sexual Victimization of Children is the first book to critically evaluate national and international efforts to reduce child sexual abuse CSA and ameliorate its effects Until now input from social science and mental health experts has been accepted for the most part uncritically as have the programs and laws that have been developed in reliance upon that advice Here Dr Ewing utilizes empirical data policy considerations cost benefit analyses psychological theory legal reasoning and common sense to undertake the often difficult and sometimes controversial task of distinguishing prevention strategies that are likely to prevent CSA from those that are not

More than (Just) Words Magdalena Szczyrbak, 2025-06-02 This edited collection illuminates the mechanisms involved in courtroom reality construction and the ways in which trial narratives are created and legal facts established It covers a wide range of jurisdictions and legal procedures spanning five continents In addition to explaining how courtroom actors utilise words to craft their narratives within institutional constraints it draws attention to the effect the gestural visual and material resources have on the discursive shaping of the judicial process The book highlights the intersection of legal and non legal perspectives in judicial and related settings those of judges prosecutors attorneys complainants lay witnesses forensic experts witness intermediaries and jurors Going beyond just words the volume elucidates the processes of meaning making and the discourse practices which underlie asymmetrical interaction in judicial settings Informed by diverse theoretical frameworks the book will appeal to legal linguists and discourse analysts studying institutional communication as well as legal practitioners engaged in trial practice
