J. Veal, 1994 *Research Methods for Leisure and Tourism [electronic Resource]*. Anthony James Veal, 2006 [Cultural Tourism Research Methods](#) Greg Richards, Wil Munsters, 2010 Cultural tourism includes experiencing local culture traditions and lifestyle participation in arts related activities and visits to museums monuments and heritage sites This book reviews a wide range of qualitative and quantitative research methods applied to the field It is suitable for students and researchers in tourism and leisure

Tourism Research Methods Brent W. Ritchie, Peter Burns, Catherine Palmer, 2005 Within the tourism industry there is a growing consensus on the need for research to investigate the economic social and environmental impacts of tourism However existing research methods texts are based solely on either the business approach or the social science approach to tourism They often fail to provide real world examples of how to plan implement or analyse tourism related research This book aims to address this divide by integrating theory with practice through the inclusion of specific tourism research case studies alongside research theory It considers a wide range of research issues approaches and techniques with contributions

from both experienced and new researchers

Qualitative Research in Tourism Jenny Phillimore, Lisa Goodson, 2004

Whilst qualitative approaches are beginning to be more commonly used and accepted in tourism discussions of research methods have rarely moved beyond practical considerations Limited attention given to the underlying philosophical and theoretical underpinnings that influence the research process This book links the theory with research practice to offer a more holistic account of how qualitative research can be used in tourism The SAGE Handbook of Tourism Management

Chris Cooper, Serena Volo, William C. Gartner, Noel Scott, 2021-08-04 The SAGE Handbook of Tourism Management is a critical authoritative review of tourism management written by leading international thinkers and academics in the field Arranged over two volumes the chapters are framed as critical synoptic pieces covering key developments current issues and debates and emerging trends and future considerations for the field The two volumes focus in turn on the theories concepts and disciplines that underpin tourism management in volume one followed by examinations of how those ideas and concepts have been applied in the second volume Chapters are structured around twelve key themes Volume One Part One Researching Tourism Part Two Social Analysis Part Three Economic Analysis Part Four Technological Analysis Part Five Environmental Analysis Part Six Political Analysis Volume Two Part One Approaching Tourism Part Two Destination Applications Part Three Marketing Applications Part Four Tourism Product Markets Part Five Technological Applications Part Six Environmental Applications This handbook offers a fresh contemporary and definitive look at tourism management making it an essential resource for academics researchers and students

Research Methods in Tourism, Hospitality and Events Management Paul Brunt, Susan Horner, Natalie Semley, 2017-09-27 In Research Methods in Tourism Hospitality and Events Management the authors use a step by step approach to guide students through the whole research process from initial ideas through to writing up and presenting the findings Coverage of the Internet and the digital environment as a space to carry out research has been included and the use of technology in analysis such as SPSS NVivo and Qualtrics is covered alongside the more traditional by hand methods Hints tips exercises as well as end of chapter case studies demonstrate real challenges and practical examples from a variety of settings to help students understand how to manage and present their own research The book is complemented by examples of tourism destinations from Spain Switzerland Italy and India and a selection of PowerPoint slides for lecturers Suitable for undergraduate and foundation degree students undertaking a research project in Tourism Hospitality or Events Management
