The Secret of Progress (Classic Reprint) W. Cunningham,2016-10-16 Excerpt from The Secret of Progress Buckle¹ regarded it as clear that militarism and high intellectual development were not compatible till recently many people were prepared to believe that warfare was alien to the interest of civilised peoples and could only occur among half civilised or backward races But this war has shown that these hopes were vain and that the last result of civilisation was not to render war impossible but to give the means of carrying it out on a vastly extended scale The increase of knowledge and of power over nature and the sense of the benefits of intercourse and inter communication have not sufficed to give us any immunity from war About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Misquoting Truth Timothy Paul Jones,2007-05-23 In clear concise prose Timothy Paul Jones takes on Bart Ehrman's misleading conclusions about how we got the New Testament how the New Testament documents have been transmitted and what kind of diversity existed among early Christians

Revolution Michael L. Brown,2020-10-06 A revolution of repentance by the power of the Holy Spirit is needed in the

church to bring renewal to a hurting nation After reading Revolution you will understand what a biblical revolution looks like and how to implement it starting within your own heart and going outward from there This book is not a call to the violent overthrow of the government nor is it a call to take up arms nor is it a call to political activism in and of itself It is a call to something far more extreme a call to live out the gospel with all its radical claims a call for the people of God to impact this generation with the prophetic message of repentance a call to spark the most sweeping counterculture movement in our nation s history a call to take back the moral high ground that has been stolen from under our feet a call to follow Jesus by life or by death Revolution answers such questions as What is the role of the Christian and the church during these tumultuous times How are we to respond to the racial upheaval happening in our nation What is the church s role in healing the divide in our fractured divided country Dr Brown turns up the volume in this call to God s remnant people to pray repent and act according to the teachings of Jesus who is calling us to holy revolution Truth ,1889 **Good Tidings of Great**

successfully any imperfections that remain are intentionally left to preserve the state of such historical works Hell No S. L. Miller, 2021-08-24 If we believe the Bible is the inerrant divinely inspired word of God from Genesis to Revelation what is said within its pages about God and his unchangeable character must be consistent and never contradictory Furthermore in order to love God with all our heart believing him to be a just merciful and loving God what we believe from the Scriptures must adhere to the three Cs Context Consistency and Character For centuries people have formulated doctrine by taking passages out of context They have made conclusions about God s character in an inconsistent fashion and often in ways that malign our righteous and holy Creator When Jesus came to earth he did not form a new religion he was a Jew and knew that God had given the sacred pronouncements of truth to the nation of Israel What he taught about hell death resurrection and judgment is entirely consistent with what God taught his people through the Mosaic Law the prophets and the psalms In Hell No The Surprising Truths the Bible Teaches about Death Resurrection and Judgment you will see that the Bible is clear humans never have and never will go to heaven they are not inherently immortal God will never torture souls in a hellfire and all those who died and have paid the price for their sin death will be resurrected on earth during the judgment period with a clean slate and an opportunity to truly know God as they learn war no more under Christ s millennial reign Hell No is a serious deep dive into Scripture but also a conversational foray into truth written by a layperson for laypeople serious about searching the deep things of God to uncover the Bible s truths in order to better know and love their Creator
