Rethinking Agency Developmentalism Gender And Rights:

Rethinking Agency Sumi Madhok, 2013 Through detailed theoretical and empirical examination of the actual processes of social and personal transformation that individuals undergo as a result of their contact with developmentalism and individual rights *Rethinking Agency* tracks the entry of developmentalism and its accompanying ideas in a social context marked by severe gender subordination

Rethinking Agency Sumi Madhok, 2014-03-21 This book proposes a new theoretical framework for agency thinking by examining the ethical discursive and practical engagements of a group of women development workers in north west India with developmentalism and individual rights *Rethinking Agency* asks an underexplored question tracks the entry encounter experience and practice of developmentalism and individual rights and examines their normative and political trajectory Through an ethnography of a moral encounter with developmentalism it raises a critical question how do we think of agency in oppressive contexts Further how do issues of risk injury coercion and oppression alter the conceptual mechanics of agency itself The work will be invaluable to research organisations development practitioners policy makers and political journalists interested in questions of gender political empowerment rights and political participation and to academics and students in the fields of feminist theory development studies sociology politics and gender studies

Gender, Agency, and Coercion S. Madhok, A. Phillips, K. Wilson, 2013-01-16 Drawing on recent feminist discussions this collection critically reassesses ideas about agency exploring the relationship between agency and coercion in greater depth and across a range of disciplinary perspectives and ethical contexts

Activism and Agency in India Supurna Banerjee, 2017-05-08 This book is the first interdisciplinary and intersectional work examining the nature of victimhood and agency among women workers on tea plantations in North Bengal India The author views tea plantations as social spaces rather than only economic units of production Focusing on the lived experiences of the workers from the perspective of their multiple identities including caste gender ethnicity religion location and kinship the author uses the everyday as the entry point for understanding the exercise of agency the negotiations of different spaces gender roles and norms therein as well as acts of protest

The Routledge Handbook of the Philosophy of Human Rights Jesse Tomalty, Kerri Woods, 2025-08-20 The Routledge Handbook of the Philosophy of Human Rights is an outstanding resource covering key questions problems and debates in scholarship on the nature justification authority and relevance of human rights The volume comprises 35 chapters by leading scholars from a range of philosophical orientations and traditions The Handbook is divided into five sections Approaching the Philosophy of Human Rights Grounds of Human Rights Critical Perspectives Contemporary Human Rights Issues Human Rights of Groups The volume is essential reading for students and researchers in philosophy who are interested in understanding human rights It is also a valuable resource for those in related fields including law political science sociology and the humanities

Gendered Agency in War and Peace Maria O'Reilly, 2017-11-03 This book examines how gendered agency emerges in peacebuilding contexts It develops a feminist

critique of the international peacebuilding interventions through a study of transitional justice policies and practices implemented in Bosnia Herzegovina and local activists responses to official discourses surrounding them Extending Nancy Fraser s tripartite model of justice to peacebuilding contexts the book also advances notions of recognition redistribution and representation as crucial components of gender just peace It argues that recognising women as victims and survivors of conflict achieving a gender equitable distribution of material and symbolic resources and enabling women to participate as agents of transitional justice processes are all essential for transforming the structural inequalities that enable gender violence and discrimination to materialise before during and after conflict This study establishes a new avenue of analysis for understanding responses and resistances to international peacebuilding by offering a sustained engagement with feminist social and political theory

On Vernacular Rights Cultures Sumi Madhok,2022-02-03 Tracks the critical conceptual vocabularies and the gendered subaltern politics of rights and human rights in South Asia

The SAGE Handbook of Feminist Theory Mary Evans,Clare Hemmings,Marsha Henry,Hazel Johnstone,Sumi Madhok,Ania Plomien,Sadie Wearing,2014-08-12 At no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men This Handbook provides a comprehensive guide to these omnipresent issues and debates mapping the present and future of thinking about feminist theory The chapters gathered here present the state of the art in scholarship in the field covering Epistemology and marginality Literary visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized The authors bring a shared commitment to the critical appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding With this focus on theory and theorizing about the world in which we live this Handbook asks us across all disciplines and situations to abandon our taken for granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism It is an essential reference work for advanced students and academics not only of feminist theory but of gender and sexuality across the humanities and social sciences

Historical Dictionary of Human Rights Jacques Fomerand,2021-03-29 The second edition of Historical Dictionary of Human Rights explores both the theory and the practice of international human rights with a focus on the norms and institutions that make up the architecture of the global human rights regime and the tools processes and procedures through which such norms are realized and enforced Particular attention is given to the contextual political and sociological factors that shape and constrain the operation and functioning of international human rights institutions and their state and non state actors This is done through a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on terminology conventions treaties intergovernmental

organizations in the United Nations and non governmental organizations as well as some of the pioneers and defenders This book is an excellent resource for students researchers and anyone wanting to know more about human rights **The Taste of Agency** Natallia Paulovich,2025-08-11 This book explores the evolving role of women in Georgian society through the lens of food and cooking Drawing on ethnographic research in Ozurgeti it reveals how domestic practices serve as powerful expressions of female agency From the 19th century to the post Soviet era Georgian women have used food to navigate socio economic crises reshape family structures and preserve cultural identity The book combines feminist anthropology and food studies to challenge assumptions about women s roles in traditional societies By focusing on everyday acts of sustenance it offers a nuanced view of how women actively shape both private and public life A vital contribution to gender studies anthropology and post Soviet research this book enhances our understanding of food as a site of social change
