Representing Bisexualities Subjects And Cultures Of Fluid Desire

Jonathan Alexander, Serena Anderlini-D'Onofrio

Representing Bisexualities Subjects And Cultures Of Fluid Desire:

Representing Bisexualities Donald E. Hall, Maria Pramaggiore, 1996-07 Is bisexuality coming out in America Bisexual characters are surfacing on popular television shows and in film Newsweek proclaims that a new sexual identity is emerging But amidst this burgeoning acknowledgment of bisexuality is there an understanding of what it means to be bisexual in a monosexual culture RePresenting Bisexualities seeks to answer these questions integrating a recognition of bisexual desire with new theories of gender and sexuality Despite the breakthroughs in gender studies and queer studies of recent years bisexuality has remained largely unexamined Problematic sexual images are usually attributed either to homosexual or heterosexual desire while bisexual readings remain unexplored The essays found in RePresenting Bisexualities discuss fluid sexualities through a variety of readings from the fence covering texts from Emily Dickinson to Nine Inch Nails Each author contributes to the collection a unique view of sexual fluidity and transgressive desire Taken together these essays provide the most comprehensive bisexual theory reader to date

Identity Without Selfhood Mariam Fraser, 1999-04-22 This book presents a post structuralist queer theory of the self drawing on representations of de Beauvoir and her bisexuality

Bisexuality Surya Monroe, 2015-07-14 This book provides an accessible introduction to bisexuality studies set within the context of contemporary social theory and research Drawing on interviews conducted in the UK and Colombia it maps out the territory providing a means of understanding sexualities that are neither gay nor lesbian nor heterosexual

Materializing Queer Desire Elisa Glick, 2010-03-30 How did the queer subject come to occupy such a central and in many respects contradictory place in the modern world of the early twentieth century What role has capitalism played in the development of modern gay and lesbian identities Materializing Queer Desire focuses on the figure of the dandy to explore how and why gay and lesbian subjects became heroes of modern life Elisa Glick argues that the gay subject emerged out of the specifically modern capitalist contradiction between the public world of production and industry and the private world of consumption and pleasure Boldly bringing modernism into dialogue with Marxist and queer theory Glick offers an innovative materialist account of modern queer consciousness that challenges tendencies to oppose private eroticism and the systems of value that govern public interests In the process she illuminates the connections between aesthetic sexual and social formations in modern life between modernity's disruptive queer desires and their unfolding in an increasingly rationalized society

The Routledge Queer Studies Reader Donald E. Hall, Annamarie Jagose, 2012-06-04 The Routledge Queer Studies Reader provides a comprehensive resource for students and scholars working in this vibrant and interdisciplinary field The book traces the emergence and development of Queer Studies as a field of scholarship presenting key critical essays alongside more recent criticism that explores new directions The collection is edited by two of the leading scholars in the field and presents individual introductory notes that situate each work within its historical disciplinary and theoretical contexts essays grouped by key subject areas including Genealogies Sex Temporalities Kinship Affect Bodies and Borders writings by major figures

including Eve Kosofsky Sedgwick Judith Butler David M Halperin Jos Esteban Muñoz Elizabeth Grosz David Eng Judith Halberstam and Sara Ahmed The Routledge Queer Studies Reader is a field defining volume and presents an illuminating guide for established scholars and also those new to Queer Studies **Global Art Cinema** Rosalind Galt, Karl Schoonover, 2010-04-14 Art cinema has for over fifty years defined how audiences and critics imagine film outside Hollywood but surprisingly little scholarly attention has been paid to the concept since the 1970s And yet in the last thirty years art cinema has flourished worldwide The emergence of East Asian and Latin American new waves the reinvigoration of European film the success of Iranian directors and the rise of the film festival have transformed the landscape of world cinema This book brings into focus art cinema's core internationalism demonstrating its centrality to understanding film as a global phenomenon The book reassesses the field of art cinema in light of recent scholarship on world film cultures In addition to analysis of key regions and films the essays cover topics including theories of the film image industrial aesthetic and political histories and art film's intersections with debates on genre sexuality new media forms and postcolonial cultures Global Art Cinema brings together a diverse group of scholars in a timely conversation that reaffirms the category of art cinema as relevant provocative and in fact fundamental to contemporary film studies *Bisexuality: A Critical Reader* Merl Storr, 2013-04-03 Bisexuality A Critical Reader presents the essential primary texts on bisexuality from the last 100 years in an easy to read format Exploring this often controversial concept from a range of perspectives this book places bisexuality in its historical and cultural context and explores its many meanings and uses Merl Storr's introductions give a straightforward overview of the texts included and sets them clearly in the context of debates on bisexuality This collection includes pieces by Henry Havelock Ellis Sigmund Freud Alfred C Kinsey Wardell B Pomeroy and Clyde E Martin and H I n Cixous Bisexual Men in Culture and Society Erich W Steinman, Brett Genny Beemyn, 2014-05-01 Gain a fresh perspective on this misunderstood sexual orientation From invisible to pathological the literary cultural and theoretical representations of male bisexuality have been almost uniformly negative Bisexual Men in Culture and Society provides a clear rational analysis of the negative stereotypes and the underlying reasons for them The bisexual is the brutal father the abusive husband the violent rapist all familiar figures of male heterosexual power but he is also the simpering oral sadistic mama's boy found in psychoanalytic accounts of homosexuality Bisexuals are queers with straight privilege straights with gay chic Jonathan David White's caustic summary of bisexual men as seen in David Lynch's film Blue Velvet also applies to many of the representations of male bisexuality in popular and high culture The original essays in Bisexual Men in Culture and Society deconstruct that dangerous image with blistering force and accuracy Bisexual Men in Culture and Society offers thoughtful insightful examinations of the cultural meanings of bisexuality including the recurring figure of the predatory immoral bisexual man in the novels of E Lynn Harris the overlooked bisexual themes in James Baldwin's classic novels Another Country and Giovanni's Room the murderous bisexual men in such films as Blue Velvet and American Commandos the

portrayal in women's magazines of the bisexual husband as a promiscuous deceitful AIDS carrier the conflicts within sexual identity politics between gay men and bisexual men the focus on bisexual orientation rather than sexual behavior as a risk factor for AIDS Continuing the tradition of Bisexuality in the Lives of Men Facts and Fictions Bisexual Men in Culture and Society offers a brilliant analysis of the lives of bisexual men and their precarious position within a racist sexist and homophobic society

A History of Bisexuality Steven Angelides, 2001-09-15 Angelides explores the evolution of sexuology revisiting modern epistemological categories of sexuality in psychoanalysis gay liberation social constructionism queer theory biology and human genetics He argues that bisexuality has functioned historically as the structural other to sexual identity itself undermining assumptions about heterosexuality and homosexuality

Bisexuality and Queer Theory Jonathan Alexander, Serena Anderlini-D'Onofrio, 2014-04-10 According to David Halperin sexuality in our time is typified by a crisis in contemporary sexual definition What is sexuality What does it mean to have a sexual identity or orientation What is the relationship between sexuality as a knowledge construct on one hand and the often messy flows of desire and practices of love on the other How and why are some sexual erotic and intimate practices normalized and others marginalized Queer Theory has emerged in the West as one of the most provocative analytical tools in the humanities and social sciences It scrutinizes identity and social structures that take heteronormativity for granted that do not question the social construction of heterosexuality as normative in relation to its oppositional binary homosexuality At the same time bisexuality is a practice identity and orientation that challenges the binary logic around which cultural notions of sexuality are organized It is a portal to the imagination of a world of amorous expression beyond that divide This provocative collection presents bisexuality and queer theory as two parallel thought collectives that have made significant contributions to cultural discourses about sexual and amorous practices since the onset of the AIDS era and explores the ideas that circulate in these thought collectives today We learn much about the construction and experience of sexuality and the power it still holds throughout the contemporary Western world to shape identities and practices This volume challenges our understanding of what it means to be sexual to have a sexual identity and to practise the arts of loving This book was originally published as a special issue of the Journal of Bisexuality

Immerse yourself in heartwarming tales of love and emotion with is touching creation, **Representing Bisexualities Subjects And Cultures Of Fluid Desire** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
