Rethinking Race And Ethnicity In Research Methods:

Rethinking Race and Ethnicity in Research Methods John H Stanfield II, 2016-06-03 This collection of original work demonstrates the new ways in which particular research methodologies are used valued and critiqued in the field of race and ethnic studies Contributing authors discuss the ways in which their personal and professional histories and experiences lead them to select and use particular methodologies over the course of their careers They then provide the intellectual histories strengths and weaknesses of these methods as applied to issues of race and ethnicity and discuss the ethical practical and epistemological issues that have influenced and challenged their methodological principles and applications Through these rigorous self examinations this text presents a dynamic example of how scholars engage both research methodologies and issues of social justice and ethics This volume is a successor to Stanfield s landmark *Race and Ethnicity in Research Methods*

Discourse, Power, and Resistance Down Under Mark Vicars, Tarquam McKenna, Julie White, 2012-10-26 This edited collection is an eclectic and provocative volume taken from presentations that reflect the scholarship of the inaugural AQR DPR Down Under conference that was held in Cairns in 2011 in Australia This was a ground breaking conference that brought together scholars researchers and practitioners from across Australia UK Japan Italy Finland New Zealand Luxembourg South Africa Vietnam Malaysia Tanzania and Mexico The theme of the conference represented at the conference and in this volume was that of Politicizing Qualitative Research Delegates presented papers that sought to challenge research practices that too often can delegitimize Other ways of knowing Confronting disrupting and resisting the epistemological common sense way of doing research within the academy can be a risky business and is often a fraught and contested endeavor However as the papers in this volume illustrate contestation promises opportunities for re perceiving re interpreting and productively disrupting the orthodoxies of disciplinarity Many thanks to Ignacio Rojas whose patient assistance and expertise as an artist in designing the cover proved invaluable in bringing this book to print *The Ashgate Research Companion to Black Sociology* Earl Wright II, Edward V. Wallace, 2016-03-09 The Ashgate Research Companion to Black Sociology provides the most up to date exploration and analysis of research focused on Blacks in America Beginning with an examination of the project of Black Sociology it offers studies of recent events including the Stand Your Ground killing of Trayvon Martin the impact of Hurricane Katrina on emerging adults and efforts to change voting requirements that overwhelmingly affect Blacks whilst engaging with questions of sexuality and family life incarceration health educational outcomes and racial wage disparities Inspired by W E B Du Bois s charge of engaging in objective research that has a positive impact on society and organised around the themes of Social Inequities Blacks and Education Blacks and Health and Future Directions this timely volume brings together the latest interdisciplinary research to offer a broad overview of the issues currently faced by Blacks in United States A timely significant research guide that informs readers on the social economic and physical condition of Blacks in America and proposes directions for important future research The Ashgate
