

CULPABILITY

The background of the cover is a photograph of a serene lake scene. In the foreground, a vibrant rainbow arches across a grassy area. A wooden dock extends into the water, with a small boat moored nearby. The lake is calm, reflecting the sky and the surrounding greenery. The sky is a deep blue with soft, white clouds. The overall mood is peaceful and scenic.

you're starting a teen book club trying to revive a flagging program or wish to build on past success if you're involved in a teen book club this guide is a must What's the difference between a teen book club and an adult one Too often the answer is Not much Like so many programs for teens traditional book clubs tend to be scaled down versions of adult clubs If book selection taboo topics and logistical details are the most important things that set your teen book club apart from an adult one you could be missing a huge opportunity Vibrant dynamic teen book clubs the kind teens eagerly anticipate and attend session after session are teen centered They're not merely by for and about teens but are grounded in the admittedly radical idea that the club is not primarily about library programming or even about books but is all about teens their interests and needs their social habits and styles their initiative Books are the medium and the club is the method to achieve the ultimate goal of developing teen readers and leaders Furthermore the teen centered book club has huge potential to further a whole range of library goals from bringing more teen patrons through the door to building community wide awareness and support for the library itself What sets this book apart from the typical book club guide is that it is the only guide that addresses the unique constraints of public and school libraries budgeting impact on the facility and the collection and potential attempts at censorship to name just a few It's also the only guide that takes a teen centered approach putting front and center the idea that as with so many other things book clubs for teens are not merely scaled back versions of adult clubs Whether you are starting a club attempting to revive a flagging program or building on past success this manual offers you innovative pragmatic ideas that will attract and retain teen readers Grades 6-12 Teen Book Clubs offers a fresh new approach for today's teen readers and clear instructions along with tips and ideas for building teen centered book clubs In 12 brief chapters the book covers the teen centered book club what it is and what it takes to make it work putting it together planning and putting the plan in action going public recruiting boosting visibility garnering support 15 cunningly creative types of teen book clubs using book club to develop teen leaders scads of book lists reproducibles and sample discussion prompts tweaking troubleshooting and tips for keeping it civilized evaluations beyond measure resources for more information Filled with practical checklists figures worksheets and reproducibles this is the guide that all teen book club leaders should have

Infidel Ayaan Hirsi Ali, 2008-04 In this profoundly affecting memoir from the internationally renowned author of *The Caged Virgin* Ayaan Hirsi Ali tells her astonishing life story from her traditional Muslim childhood in Somalia Saudi Arabia and Kenya to her intellectual awakening and activism in the Netherlands and her current life under armed guard in the West One of today's most admired and controversial political figures Ayaan Hirsi Ali burst into international headlines following an Islamist's murder of her colleague Theo van Gogh with whom she made the movie *Submission* *Infidel* is the eagerly awaited story of the coming of age of this elegant distinguished and sometimes reviled political superstar and champion of free speech With a gimlet eye and measured often ironic voice Hirsi Ali recounts the evolution of her beliefs her ironclad will and her extraordinary resolve to fight injustice done in the name of religion Raised in a strict Muslim family and extended clan

Hirsi Ali survived civil war female mutilation brutal beatings adolescence as a devout believer during the rise of the Muslim Brotherhood and life in four troubled unstable countries largely ruled by despots In her early twenties she escaped from a forced marriage and sought asylum in the Netherlands where she earned a college degree in political science tried to help her tragically depressed sister adjust to the West and fought for the rights of Muslim immigrant women and the reform of Islam as a member of Parliament Even though she is under constant threat demonized by reactionary Islamists and politicians disowned by her father and expelled from her family and clan she refuses to be silenced Ultimately a celebration of triumph over adversity Hirsi Ali s story tells how a bright little girl evolved out of dutiful obedience to become an outspoken pioneering freedom fighter As Western governments struggle to balance democratic ideals with religious pressures no story could be timelier or more significant
