Mass Disruption John Stackhouse, 2015-10-27 Drawing on his thirty years in newspapers the former editor in chief of The Globe and Mail examines the crisis of serious journalism in the digital era and searches for ways the invaluable tradition can thrive in a radically changed future John Stackhouse entered the newspaper business in a golden age 1980s circulations were huge and wealthy companies lined up for the privilege of advertising in every city s best read pages Television and radio could never rival newspapers for hard news analysis and opinion and the papers brand of serious journalism was considered a crucial part of life in a democratic country Then came the Internet After decades as a Globe journalist foreign bureau chief and then editor of its Report on Business not to mention former Scarborough delivery boy he assumed one of the biggest jobs in Canadian journalism The Globe and Mail s editor in chief Beginning in 2009 he faced the unthinkable the possible end of not just Canada s national newspaper but the steep and steady financial decline of newspapers everywhere A non stop torrent of free digital content stole advertisers and devalued advertising space so quickly that newspapers struggled to finance the serious journalism that distinguished them in a world of BuzzFeed Huffington Post Yahoo and innumerable bloggers and citizen journalists Meanwhile ambitious online media

aspired to the credibility of newspapers The solution was clear if the path to arriving at it was less so the new school needed to meet the old school and the future lay in undiscovered ground between them Having led the Globe during this period of sudden and radical change Stackhouse continues to champion the vital role of great reporting and analysis Filled with stories from his three decades in the business Mass Disruption tracks decisions good and bad examines how some of the world's major newspapers the Guardian New York Times are learning to cope and lays out strategies for the future of both newspapers and serious journalism wherever it may live [The Internet Newsroom](#) ,2002 Your guide to the world of electronic factgathering

The Routledge Companion to News and Journalism Stuart Allan,2022-11-28 The Routledge Companion to News and Journalism brings together scholars committed to the conceptual and methodological development of news and journalism studies from around the world Across 50 chapters organized thematically over seven sections contributions examine a range of pressing challenges for news reporting including digital convergence mobile platforms web analytics and datafication social media polarization and the use of drones Journalism's mediation of social issues is also explored such as those pertaining to human rights civic engagement gender inequalities the environmental crisis and the Black Lives Matter movement Each section raises important questions for academic research generating fresh insights into journalistic forms practices and epistemologies The Companion furthers our understanding of why we have ended up with the kind of news reporting we have today its remarkable strengths the difficulties it faces and how we might improve upon it for tomorrow Completely revised and updated for its second edition this volume is ideal for advanced undergraduates postgraduates researchers and academics in the fields of news media and journalism studies
