In the Blood Robert Wuthnow, 2015-09-01 A vivid and moving portrait of America s farm families Farming is essential to the American economy and our daily lives yet few of us have much contact with farmers except through the food we eat Who are America s farmers Why is farming important to them How are they coping with dramatic changes to their way of life In the Blood paints a vivid and moving portrait of America s farm families shedding new light on their beliefs values and complicated relationship with the land Drawing on more than two hundred in depth interviews Robert Wuthnow presents farmers in their own voices as they speak candidly about their family traditions aspirations for their children business arrangements and conflicts with family members They describe their changing relationships with neighbors their shifting views about religion and the subtle ways they defend their personal independence Wuthnow shares the stories of farmers who operate dairies raise livestock and grow our fruit and vegetables We hear from corn and soybean farmers wheat belt farmers and cotton growers We gain new insights into how farmers assign meaning to the land and how they grapple with the increasingly difficult challenges of biotechnology and global markets In the Blood reveals how despite profound changes in modern agriculture farming remains an enduring

commitment that runs deeply in the veins of today's farm families *A Theology of Paul the Apostle, Part One* G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all Christian theology While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of Paul's letters within their historical matrix The work *Theology of Paul the Apostle* is presented in two parts Part One Paul's Eschatological Gospel addresses matters relevant for Paul's appreciation of the gospel of God in the establishment of the eschatological community in Christ Paul's Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco Roman world Part Two Cross and Atonement examines a perennial storm center within Paul's theology from both an exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul's theology and the understandings of Paul must be established point by point Paul's theology has continuing relevance within the very different matrix of a postmodern world *Catalog of Copyright Entries. concepts and theoretical perspectives in the field **Imagine Paul** G. Roger Greene, 2024-10-17 Can the real Paul the apostle live again in a postmodern technological age Paul's ministry stood at the very headwaters of the Christian gospel surrounding Jesus of Nazareth His letters are the earliest documents contained in the New Testament The current work calls upon the reader to actively engage Paul in his context rather than to affirm the assumed theological Paul of later Christian orthodoxy The reader is thus invited to walk with a more real Paul as he may be imagined from the sources we have to think Paul's thoughts with him through his letters and to more fully experience the gospel of God that Paul knew and proclaimed Paul was a man in Christ directly called by God to announce the gospel of God to both Jew and gentile in the midst of a world ruled by Rome He did so through two major campaigns rather than three missionary journeys He wrote pastoral letters to real first century churches The real Paul did not write theology but he rather proclaimed a gospel to a world in search of a soul
