Out Of Sorts Making Peace With An Evolving Faith:

Out of Sorts Sarah Bessey, 2015-11-03 Bessey helps us grapple with core Christian issues by sharing her own wrestlings with core issues such as who Jesus is what place the Church has in our lives how to disagree yet remain within a community In doing so she teaches us how to be as comfortable with uncertainty as we are with solid answers in order to discover new depths of faith that will remain secure even through the storms of life

Out of Sorts Sarah Bessey, 2015-11-03 From the popular blogger and provocative author of *Jesus Feminist* comes a riveting new study of Christianity that helps you wrestle with and sort out your faith In *Out of Sorts* Sarah Bessey award winning blogger and author of *Jesus Feminist* which was hailed as lucid compelling and beautifully written Frank Viola author of *God's Favorite Place on Earth* helps us grapple with core Christian issues using a mixture of beautiful storytelling and biblical teaching a style well described as narrative theology As she candidly shares her wrestlings with core issues such as who Jesus is what place the Church has in our lives how to disagree yet remain within a community and how to love the Bible for what it is rather than what we want it to be she teaches us how to walk courageously through our own tough questions In the process of gently helping us sort things out Bessey teaches us how to be as comfortable with uncertainty as we are with solid answers And as we learn to hold questions in one hand and answers in the other we discover new depths of faith that will remain secure even through the storms of life

Unearthly Beauty Magdalen Smith, 2017-08-17 Saints are people of unearthly beauty who show us a deep understanding of the fluid nature of divine grace This warm hearted book is for those of us who enter Advent longing for spiritual sustenance to balance the worldly charms of the Christmas season Jesus arrival in poverty and vulnerability provoked feelings of unease as well as expectation and hope How will we keep the faith as Christians called to live distinctively in an age of anxiety Magdalen Smith believes we can be inspired by people from the past those whose names are familiar or less so whom the Church calls saints In these wide ranging devotions full of contemporary stories and enjoyable cultural allusions she introduces 24 characters who manifest a mysterious dynamic and enable us to glimpse holiness in a new way With heartfelt honesty clarity and humanity Magdalen Smith challenges the Church to see the journey ahead with new eyes This book is a timely prophetic call to be refreshed by our inheritance in ways that renew integrity and hope Libby Lane Bishop of Stockport A treasure chest of gems Jill Duff Director of St Mellitus North West training course

Cries from the Wilderness David Poeta, 2023-12-06 One of the most prevalent challenges in contemporary Christianity is navigating the relationship between the individual and their faith community when the Christian enters spiritually challenging times periods of aridity misunderstanding suffering or darkness This problem is amplified because of the growing angst that many feel with organized religion When loyalty to the church gets tested during a personal faith crisis or honest intellectual query many leave disenchanted claiming a desire to be spiritual but not religious *Cries from the Wilderness* Reimagining Church Culture in an Age of Uncertainty explores the memoirs of three contemporary sojourners Rachel Held Evans David Gushee and Macy

Halford asking What postures were common in his or her journey that helped them navigate their spiritual wilderness David Poeta then argues that a primary problem is that many faith communities rarely see themselves in the spiritual wilderness The author s contention is that spiritual communities are often ill equipped to nurture the spiritual life of disoriented or questioning Christians By acknowledging their own spiritual journey and drawing lessons from healthy wilderness postures they would be better positioned to transform and mature their community while creating a nurturing environment for individual sojourners

Rewriting Eve Ronna J. Detrick, 2025-07-30 We wouldn t consider letting Isis Medusa Pandora or Persephone slip from our lexicon To somehow forget the legend of Harriet Tubman Anne Frank or Mother Teresa would never cross our minds And yet when it comes to the stories of Eve and other biblical characters they are rarely known barely appreciated and ostensibly lost by most of us not deeply entwined within organized religion Trapped in patriarchy and theological argument dismissed as irrelevant or viewed as unchangeable even as times change these women s voices desires and hearts have too often been silenced through misunderstanding and neglect As result we are as well But when they are reimagined deconstructed disentangled from doctrine and dogma and heard on their own terms these stories become powerful inspiration and a source of discernment that reconnects us to a feminine lineage and a sovereign sense of self we ve never known to call on or trust In *Rewriting Eve Rescuing Women s Stories from the Bible and Reclaiming Them As Our Own* Ronna Detrick invites us into the presence and power of ten sacred women revealing the endlessly relevant ways in which they speak today and showing how they can heal embolden and transform our stories

Spiritual Sobriety Elizabeth Esther, 2016-04-19 It s easy to get high on God in America But is this good religion In a compelling follow up to her memoir *Girl at the End of the World* Elizabeth Esther explores how religious fervor can become religious addiction The evidence is everywhere In families who inexplicably choose to harm their children in order to abide by cultic church doctrine But in ordinary believers too who use God the same way addicts use drugs or alcohol to numb pain alter their mood or simply to escape the realities of this messy unpredictable thing called life If you ve ever wondered how a religion that preaches freedom and love can produce judgmental and unkind followers if you ve ever felt captive to the demanding God of your own childhood if you ve struggled to find contentment without needing another emotional hit from a life changing conference or mountain top experience then *Spiritual Sobriety* is for you The author who grew up in a hyper controlling church cult will help you find hope and rebirth in the ruins of disillusioned faith Filled with stories and warm practical advice *Spiritual Sobriety* offers a gentle path out of the desperate cycles of craving euphoria hangover and into a freer clean and sober faith practice
