Helps couples use separation to learn develop and then recommit to their relationship with adjusted expectations

perspectives skills and a stronger sense of themselves A step by step process pinpoints 10 essential tasks necessary to maneuver through what is most often a highly stressful experience From amazon.com **The Female Reproductive**

System Sophie Waters, 2007-07-15 In straightforward language written specifically for a middle school audience this book explores human reproduction the structure and physiology of the female reproductive organs and the processes of fertilization pregnancy labor and birth With an attractive design and layout full color diagrams photos and illustrations complement the text **The Good Girl Revolution** Wendy Shalit, 2011-04-20 Across the country there's a youth led

rebellion challenging the status quo In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board These are not your mother's rebels Drawing on numerous studies and interviews the brilliant Wendy Shalit makes the case that today's virulent bad girl mindset truly oppresses young women She reveals how the media one's peers and even parents can undermine girls' quests for their authentic selves and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor The Good Girl Revolution rescues the good girl from the realm of mythology and old manners guides to show that today's version is the real rebel Society may perceive the good girl as mild but Shalit demonstrates that she is in fact the opposite The new female role models are not people pleasing or repressed they are outspoken and reclaiming their individuality These empowering stories are sure to be an inspiration to teenagers and parents alike Join the conversation at www.thegoodgirlrevolution.com

People in Crisis Lee Ann Hoff, Lisa Brown, Miracle R. Hoff, 2011-02-25 The first edition of People in Crisis published in 1978 established success as a comprehensive and user friendly text for health and social service professionals The book and its following incarnations included critical life events and life cycle transition challenges clearly pointing out the interconnections between such events stressful developmental changes and their potential for growth but also danger of suicide and or violence toward others This revised edition includes new case examples and expanded coverage of cross cultural content including commonalities and differences in origins manifestations and crisis responses The authors illustrate the application of crisis concepts assessment and intervention strategies across a wide range of health and mental health settings as well as at home school workplace and in the community Each chapter contains a closing summary that includes discussion questions references and online data sources for maximum application and learning Updated chapters discuss

new research based content on workplace violence and abuse youth violence in schools and higher education settings the use of psychotropic drugs including for very young children in the absence of comprehensive assessment the crisis vulnerability of war veterans and the hazards of pathologizing what should be considered a normal response to the repeated and catastrophic trauma of war the intersection of socio political factors with individuals psychological healing from catastrophic experiences such as war and natural disaster
