

The Outsiders

by S. E. Hinton

Please answer the following questions on a separate sheet of paper.

Chapter 1

1. Who are the Socs? Who are the Greasers?

Socs - rich, madras, mustangs, East side

Greasers - poor, t-shirts and jeans, West side

2. How is Pony's relationship with Darry different from his relationship with Soda?

Darry is more like a father-figure to Pony. He loves him, but they argue a lot and he is hard on him. Soda and Pony are friends. He really understands Pony and they have a lot in common.

3. Why is the "gang" so important to Johnny?

He relies on them like family, because his father abuses him and his mother ignores him.

4. Do you think Darry loves Pony? Why does he treat Pony the way he does?

Yes, he does love Pony. He is hard on Pony because he doesn't want him to get in trouble because then the boys would be split up. He wants Pony to have a good life.

5. Explain what Pony means when he says, "I lie to myself all the time". Why do you think people lie to themselves?

He tries to convince himself something is truth. For example, he tries to convince himself that he doesn't care that Darry doesn't love him, but he does care whether or not Darry loves him.

Chapter 2

1. Who are Cherry and Marcia?

Two Socy girls Pony and Johnny picked up at the drive-in.

2. Why is it strange that Cherry and Pony get along so well?

Socs and Greasers shouldn't get along, but Cherry and Pony have a lot in common - sunsets, dreamers, school.

3. According to Two-Bit, what is a "fair fight"? Why don't Socs fight fair?

Outsiders Guide Questions And Answers:

The Outsider'S Guide to Ufos James T. Abbott,2017-12-05 What exactly is impossible in this universe The Outsiders Guide to UFOs is for anyone for whom the UFO thing is enduringly fascinating but bafflingly complex It cuts out all the smoke and mirrors and focuses on core questions like what are UFOs how long have they been around and are they hoaxes figments of the imagination or real Author James Abbott is a highly experienced researcher who has spent years studying this timeless debate as an outsider With no vested interests he presents all sides of the story without fear or favour Read about 40 of the most important UFO cases 9 official projects and reports on the subject 13 fascinatingly strange UFO characteristics 20 possible explanations for UFOs the very best photo and video evidence The Outsiders Guide to UFOs explains why there may be up to 3 000 totally inexplicable UFO sightings every year around the world It also discusses four mind blowing theories about UFOs clarifies the background simplifies the main questions and presents evidence and counter evidence about the mysterious things we see in the sky More importantly it recommends straightforward action to settle the UFO question once and for all *Deposition Transcripts from the Committee Investigation Into the White House Office Travel Matter* ,1996

The Get-Outside Guide to Winter Activities Andrew Foran,Kevin Redmond,TA Loeffler,2016-11-17 A recent surge in people s reconnecting with nature has resulted in numerous reference books for outdoor program leaders but until now there has been a dearth of books aimed at wintertime pursuits The Get Outside Guide to Winter Activities unlocks the door to a wealth of fun and adventure in the snow Activities have been compiled by keepers of the trail experienced winter trekker leaders who know how to lead people in outdoor winter activities that are safe and fun and help people experience the joy of being active outdoors during the cold months of the year This guide offers activities and games that have the following features Appropriate for multiple age groups Easily modifiable to adapt to varying skillsets Designed for a variety of locales such as schoolyards community trails urban and remote parks and wilderness settings The guide offers activities that are suitable for groups of varying skill levels and experience Most activities are simple and quick and require little preparation and few props Those interested in doing more can explore snowshoeing or Nordic skiing activities and even exploratory outings and winter day trips from a base camp to overnight or extended camping excursions The book includes tactical snow games and activities and even has icebreakers for games In addition solo winter trekkers can use the activities and lessons as a launching point to prepare them in leading groups in winter outings Leaders are shown how to build in activities that call on typical age level skills of participants The essential skills progression built into the activities helps leaders offer instructional strategies that allow all participants to take part within their ability and leaders are provided with ideas to modify all approaches and activities to ensure inclusion for all in their group In addition to the game and activity modifications the book offers winter facts that enhance participants knowledge about the science of snow and winter as well as charts and graphs that focus on safety in winter The Get Outside Guide to Winter Activities offers a planning framework

that balances winter fun with skills and safety and prepares leaders to guide others in enjoying activities in the snow You will learn about activities that require little or no props adaptive snow games tips based on actual winter excursions gear requirements and leadership suggestions shared by winter experts How to stay warm and dry while winter camping What and how to eat drink and cook in the winter What gear you need for a snow expedition What games and activities are great for campsites How to teach basic snowshoeing and Nordic skiing skills The keys to managing groups outside in winter You ll also learn how to make the most of winter opportunities through tried and true ideas skill progressions and games and activities that open up an entire season s worth of enjoyment learning and adventure People shy away from outdoor winter activities for three reasons says Andrew Foran one of the book s authors There s an overemphasis on the skills that are thought to be required for participation Granted in some cases skills are essential but it s how you approach the teaching and practicing of those skills that makes the difference Then there s a belief that the wintertime outdoors is to be feared rather than embraced And finally people are lacking a bank of ideas of things to do to keep them engaged and having fun outdoors in the winter The Get Outside Guide to Winter Activities addresses all three misconceptions and in the process shows you as a leader how to help your participants have fun in the snow build skills and create lasting memories that will keep them looking forward to the next big snowfall

1000+ Tips for Life Inside and Outside the Academy Amy Hildreth Chen, 2022-10-31 This book is written to help readers with humanities backgrounds improve their academic research tertiary level teaching professional service and career trajectory By utilizing 1 000 Tips readers can choose what skill they wish to improve by consulting a single page for example how to measure your impact factor Or with more time readers can level up an entire area of their work by consulting one section for example how to promote your work As 1 000 Tips is designed to address the needs of readers at different points in their career readers will be delighted to return to this concise and evergreen manual as their goals shift with their circumstances The book learns graduate students and new faculty members to understand the basics of pedagogical practice and to comprehend how to serve effectively on the committees that ran their departments universities and professional organizations The work synthesizes empiricalevidence comprehensive literature reviews and qualitative experience Each chapter has a page length overview of the subject Each content chapter is divided into sections and each section populated by single page topics The single page topic provides a summary and takeaways in bullet point format Readers may be graduate students early career faculty independent scholars postdoctoral fellows lecturers or in many other positions in or surrounding the university
