

Memorandum

Dated: 14 January 2023

To: Sales & Marketing Group

From: Praveenkumar Revankar, Product Engineering

Subject: Delay in release timelines of Feature A and Feature B.

Purpose:

The purpose of this document is to notify the cross-functional group about sudden changes in release timelines of Feature A and Feature B and to reinform the group to reprioritize certain tasks for Sales and Marketing for the release.

Background/Context:

We have been working together on our key USP features 'Feature A' and 'Feature B' for targeting their release this quarter. Due to unforeseen circumstances, there is a change in the release timelines and the new timeline will be shared shortly in Scrum of Scrum meeting where a representative from Sales has been invited.

Action:

Even though it looks like a major setback and current activities w.r.t. The release can be paused, there are certain actions that have to be performed in this quarter. The same has been conveyed in Jira, marking the work items with labels "Q1_Paused" and "Q1_Must." Please reprioritize your internal activities based on the labels in Jira and ensure a final plan reflected in Jira on or before 30 January 2023.

Conclusion:

We might be delayed with the release but we are not affecting the business. The necessary strategy is defined and put in place to ensure customers can solve their problems using our support until Feature A and Feature B release.

Thanks,
Praveenkumar Revankar

An Introduction to the Criminology of Genocide William R. Pruitt, 2021-01-15 This textbook provides an accessible and interdisciplinary introduction to genocide with an emphasis on the criminal aspect of genocide. It draws on sociological, political, and historical concepts to discuss how they contribute to our understanding of genocide as an international crime. It walks students through the evolution of genocide as a criminal act and the legal responses available, using case studies to demonstrate how concepts work in action. It combines Criminology and Law, arguing that Criminology can help explain the why and how, while Law can explain the responses to crime. This textbook includes a chapter on genocide denial as well as discussion questions at the end of the chapters, boxed examples, and further reading. It speaks to students in Criminology, Law, Socio Legal Studies, and beyond, as well as to practitioners in the criminal justice field. *Department of Homeland Security Appropriations for 2013* United States. Foundations of Criminal Justice Stephen S. Owen, 2019-07-15 What is law? What is deviance? What is justice? How is justice achieved through law, punishment, and criminal justice agencies? Now in its third edition, *Foundations of Criminal Justice* uses a unique approach that provides students with the framework and the intellectual tools that they will need in order to critically analyze and evaluate the nature, sources, scope, purposes, and practical limitations of the criminal justice system. This is the only introductory survey text that moves beyond a description of the criminal justice system, helping students understand the role of criminal justice in their lives as criminal justice practitioners and as active citizens.

Introduction to International Criminal Law M. Cherif Bassiouni, 2013 This title covers the history, nature, and sources of international criminal law: the *ratione personae* and *ratione materiae* sources of substantive international criminal law; the indirect enforcement system; the direct enforcement system; and much more. **Tell the Truth ... What You Have To Say Michelle Laureen Stefanick, 2023-05-04 On August 7, 1998, at approximately 10:30 a.m. local time, the first truck bomb exploded outside the U.S. Embassy in Nairobi, Kenya. Minutes later, a second truck bomb exploded outside the U.S. Embassy in Dar es Salaam, Tanzania. I was assigned to the embassy in Nairobi as the Financial Management Center (FMC) Director. I was off-site that morning. Had I been present, there is a high probability I would not be writing this book. Though I did not ask for any of this, I found myself to be a tiny hub on a Deep State wheel with the spokes: the U.S. Department of State, Central Intelligence Agency, Department of Justice, Federal Bureau of Investigation, and the Military, all connecting to me. For what reason? Because of the money. Through years of just doing my job as a federal auditor and then as a Foreign Service Financial Management Specialist, I became aware of and took actions regarding money unbeknownst to me at the time, having linkages to covert operations. My story has serious political overtones, but it is not a political story. It is my story. It is the story of what can happen when you innocently seek one truth but discover quite another.
