Queer Latinidad Identity Practices Discursive Spaces Sexual Cultures:

Queer Latinidad Juana María Rodríguez, 2003 The author documents the ways in which identity formation and representation within the gay Latinidad population impacts gender and cultural studies today

In a Queer Time and Place Judith Halberstam, 2005 The first full length study of transgender representations in art fiction film video and music In her first book since the critically acclaimed *Female Masculinity* Judith Halberstam examines the significance of the transgender body in a provocative collection of essays on queer time and space She presents a series of case studies focused on the meanings of masculinity in its dominant and alternative forms especially female and trans masculinities as they exist within subcultures and are appropriated within mainstream culture *In a Queer Time and Place* opens with a probing analysis of the life and death of Brandon Teena a young transgender man who was brutally murdered in small town Nebraska After looking at mainstream representations of the transgender body as exhibited in the media frenzy surrounding this highly visible case and the Oscar winning film based on Brandon's story *Boys Don't Cry* Halberstam turns her attention to the cultural and artistic production of queers themselves She examines the transgender gaze as rendered in small art house films like *By Hook or By Crook* as well as figurations of ambiguous embodiment in the art of Del LaGrace Volcano Jenny Saville Eva Hesse Shirin Neshat and others She then exposes the influence of lesbian drag king cultures upon hetero male comic films such as *Austin Powers* and *The Full Monty* and finally points to dyke subcultures as one site for the development of queer counterpublics and queer temporalities Considering the sudden visibility of the transgender body in the early twenty first century against the backdrop of changing conceptions of space and time *In a Queer Time and Place* is the first full length study of transgender representations in art fiction film video and music This pioneering book offers both a jumping off point for future analysis of transgenderism and an important new way to understand cultural constructions of time and place

Brown Boys and Rice Queens Eng-Beng Lim, 2023-11-21 Honorable Mention for the 2015 Cultural Studies Best Book presented by the Association of Asian American Studies Winner of the 2013 CLAGS Fellowship Award for Best First Book Project in LGBT Studies A transnational study of Asian performance shaped by the homoerotics of orientalism *Brown Boys and Rice Queens* focuses on the relationship between the white man and the native boy Eng Beng Lim unpacks this as the central trope for understanding colonial and cultural encounters in 20th and 21st century Asia and its diaspora Using the native boy as a critical guide Lim formulates alternative readings of a traditional Balinese ritual postcolonial Anglophone theatre in Singapore and performance art in Asian America Tracing the transnational formation of the native boy as racial fetish object across the last century Lim follows this figure as he is passed from the hands of the colonial empire to the postcolonial nation state to neoliberal globalization Read through such figurations the traffic in native boys among white men serves as an allegory of an infantilized and emasculated Asia subordinate before colonial whiteness and modernity Pushing further Lim addresses the critical paradox of this entrenched relationship that resides even within queer theory itself by

formulating critical interventions around Asian performance

The Sex Obsession Janet R. Jakobsen, 2023-04-11 The Sex Obsession connects perversity and possibility in American politics

Single Michael Cobb, 2012-07-02 A radical defense of a solitary life What single person hasn't suffered Everyone it seems must be or must want to be in a couple To exist outside of the couple is to assume an antisocial position that is ruthlessly discouraged because being in a couple is the way most people bind themselves to the social Singles might just be the single most reviled sexual minorities today Single Arguments for the Uncoupled offers a polemic account of this supremacy of the couple form and how that supremacy blocks our understanding of the single Michael Cobb reads the figurative language surrounding singleness as it traverses an eclectic set of literary cultural philosophical psychoanalytical and popular culture objects from Plato Freud Ralph Ellison Herman Melville Virginia Woolf Barack Obama Emily Dickinson Morrissey Georgia O'Keeffe and Hannah Arendt to the Bible Sex and the City Bridget Jones Diary Beyoncé's Single Ladies Put a Ring On It and HBO's Big Love Within these flights of fancy poetry fiction strange moments in film and video paintings made in the desert bits of song and memoirs of hiking in national parks Cobb offers an inspired eloquent rumination on the single which is guaranteed to spark conversation and consideration

The Tragedy of Heterosexuality Jane Ward, 2022-03 The Tragedy of Heterosexuality is an exploration of the so called straight culture

Afro-Fabulations Tavia Nyong'o, 2018-11-27 Winner 2019 Barnard Hewitt Award for Outstanding Research in Theatre History given by the American Society for Theatre Research Honorable Mention 2021 Errol Hill Award given by the American Society for Theatre Research Argues for a conception of black cultural life that exceeds post blackness and conditions of loss In Afro Fabulations The Queer Drama of Black Life cultural critic and historian Tavia Nyong'o surveys the conditions of contemporary black artistic production in the era of post blackness Moving fluidly between the insurgent art of the 1960s and the intersectional activism of the present day Afro Fabulations challenges genealogies of blackness that ignore its creative capacity to exceed conditions of traumatic loss social death and archival erasure If black survival in an anti black world often feels like a race against time Afro Fabulations looks to the modes of memory and imagination through which a queer and black polytemporality is invented and sustained Moving past the antirelational debates in queer theory Nyong'o posits queerness as angular sociality drawing upon queer of color critique in order to name the gate and rhythm of black social life as it moves in and out of step with itself He takes up a broad range of sites of analysis from speculative fiction to performance art from artificial intelligence to Blaxploitation cinema Reading the archive of violence and trauma against the grain Afro Fabulations summons the poetic powers of queer world making that have always been immanent to the fight and play of black life
