Queer Praxis Questions For Lgbtq Worldmaking:

Queer Praxis Dustin Bradley Goltz, Jason Zingsheim, 2014 Queer Praxis serves as a model for queer relationality enlisting transnational feminist critical communication and performance studies approaches to build dialogue across and through differing subjectivities This book brings together 29 writers a diverse community to explore queer theory and embodied experiences within interpersonal relations and society at large

Queer Interruptions Evangeline Aguas, 2025-01-25 This book explores the experiences of queer female and genderqueer fans through interviews and an original documentary Inspired by fan reactions to the death of a popular lesbian character on the television series *The 100* 2014 2020 the book focuses on the fans experiences with the Bury Your Gays trope and seeks to illustrate the enduring impact of these fictional deaths on contemporary viewers The book draws on queer theory to frame the experiences of queer female and genderqueer fans as experiences of queer time as deviations from heteronormative life timelines as anachronistic backward turns and as queer melancholia By exploring the backward feelings and experiences of fans this book illustrates how the pain and abjection of the queer past are still with us in the present challenging simplistic narratives of progress and highlighting the continuing marginalisation of the queer community onscreen and in the wider political context

Queer Communication Pedagogy Ahmet Atay, Sandra L. Pensoneau-Conway, 2019-10-17 This book addresses queer issues and current events from a communication perspective to articulate a queer communication pedagogy Through putting communication pedagogy and queer studies into dialogue the book investigates how queer theory and critical communication pedagogy intersect in pedagogical spaces The chapters identify institutional and educational barriers oppressions and issues pertaining to queer lives in the context of higher education Using a variety of critical methodological approaches including dialogic methods autoethnography performative writing and visual methods each chapter theorizes a queer communication pedagogy and offers a path toward and innovative ideas about materializing queer communication pedagogy as a disciplinary endeavor This book will be of interest to scholars graduate students and upper level undergraduate students in Communication Studies Critical Communication Pedagogy Intercultural Communication Higher Education Public Pedagogy and Queer Studies and Critical Cultural Studies

The Routledge Handbook of Gender and Communication Marnel Niles Goins, Joan Faber McAlister, Bryant Keith Alexander, 2020-11-29 This volume provides an extensive overview of current research on the complex relationships between gender and communication Featuring a broad variety of chapters written by leading and upcoming scholars this edited collection uses diverse theoretical frameworks to provide insight into recent concerns regarding changing gender roles representations and resources in communication studies Established research and new perspectives address vital themes in this comprehensive text including the shifting politics of gender ethical and technological trends in gendered media and gender in daily life Comprising 39 chapters by a team of international contributors the Handbook is divided into six thematic sections Gendered lives and identities Visualizing gender The politics of gender Gendered contexts

and strategies Gendered violence and communication Gender advocacy in action These sections examine central issues debates and problems including the ethics and politics of gender as identity impacts of media and technology legal and legislative battlegrounds for gender inequality and LGBTQ human rights changing institutional contexts and recent research on gender violence and communication The final section links academic research on gender and communication to activism and advocacy beyond the academy The Routledge Handbook of Gender and Communication will be an invaluable reference work for students and researchers working at the intersections of gender studies and communication studies Its international perspectives and the range of themes it covers make it an essential and pragmatic pedagogical resource **Queer(ing)**

Communication Studies Ahmet Atay, Stephanie L. Young, 2024-12-15 In this edited volume contributors recognize and reflect on communication studies queer past and examine the current state of queer theorizing within communication studies Through this reflection the book fills in gaps in the history of this sub discipline and demonstrates that even as scholars in the field empowered queer voices in the past they often failed to recognize the intersectional aspects of queer identity through which scholars can form new understandings of past scholarship in new queer er lights Ultimately contributors collectively provide a critique for the lack of broader inclusion of queer theorization in the field and provide new pathways for the continued development of queer communication studies **The SAGE Handbook of Qualitative Research**

Norman K. Denzin, Yvonna S. Lincoln, 2017-01-05 The substantially updated and revised Fifth Edition of this landmark handbook presents the state of the art theory and practice of qualitative inquiry Representing top scholars from around the world the editors and contributors continue the tradition of synthesizing existing literature defining the present and shaping the future of qualitative research The Fifth Edition contains 19 new chapters with 16 revised making it virtually a new volume while retaining six classic chapters from previous editions New contributors to this edition include Jamel K Donnor and Gloria Ladson Billings Margaret Kovach Paula Saukko Bryant Keith Alexander Thomas A Schwandt and Emily F Gates Johnny Salda a Uwe Flick Mirka Koro Ljungberg Maggie MacLure and Jasmine Ulmer Maria Elena Torre Brett G Stoudt Einat Manoff and Michelle Fine Jack Bratich Svend Brinkmann Eric Margolis and Renu Zunjarwad Annette N Markham Alecia Y Jackson and Lisa A Mazzei Jonathan Wyatt Ken Gale Susanne Gannon and Bronwyn Davies Janice Morse Peter Dahler Larsen Marc Spooner and David A Westbrook **The Routledge Handbook of Queer Rhetoric** Jacqueline Rhodes, Jonathan

Alexander, 2022-04-25 The Routledge Handbook of Queer Rhetoric maps the ongoing becoming of queer rhetoric in the late twentieth and early twenty first centuries offering a dynamic overview of the history of and scholarly research in this field The handbook features rhetorical scholarship that explicitly uses and extends insights from work in queer and trans theories to understand and critique intersections of rhetoric gender class and sexuality More important chapters also attend to the intersections of constructs of queerness with race class ability and neurodiversity In so doing the book acknowledges the many debts contemporary queer theory has to work by scholars of color feminists and activists inside and outside the

academy The first book of its kind the handbook traces and documents the emergence of this subfield within rhetorical studies while also pointing the way toward new lines of inquiry new trajectories in scholarship and new modalities and methods of analysis critique intervention and speculation This handbook is an invaluable resource for scholars graduate students and advanced undergraduate students studying rhetoric communication cultural studies and queer studies

Social Justice in Action Neal A. Lester, 2024-11-08 Addressing both veterans of justice work and novices seeking points of entry the essays in this volume showcase practical approaches to diversity equity and inclusion ways to build community earn trust tell unheard stories and develop solutions to problems Emphasizing values such as empathy self reflection and integrity the volume is rooted in humanities work but also features contributions from fields as diverse as the performing arts architecture and evolutionary biology and represents settings beyond the college campus such as schools libraries museums and prisons While bringing insights from higher education it critiques the system as well exploring the ways that institutions reinforce power structures and exclude marginalized voices Interspersed with the essays brief reflections by activists and artists offer testimony and inspiration

Enticements Joseph J. Fischel, Brenda Cossman, 2024-03-19 *Enticements* Queer Legal Studies is an interdisciplinary volume that provides an array of queer theoretic descriptions of and prescriptions for the legal regulation of sex gender and sexuality

Soccer's Neoliberal Pitch John M. Sloop, 2023-05-23 American sports agnostics might raise an eyebrow at the idea that soccer represents a staging ground for progressive cultural social and political possibility within the United States It is just another game after all in a society where mass audience spectator sport largely avoids any political stance in other than a generic corporate friendly patriotism But John Sloop picks up on the work of Laurent Dubois and others to see in American soccer a sport that has achieved immense participation and popularity even as it struggles to establish major league status a game that permits surprisingly diverse modes of thinking about national identity because of its marginality As a rhetorician who engages with both critical theory and culture John Sloop seeks to read soccer as the game intersects with gender race sexuality class and the logic of neoliberal values The result of this engagement is a sense of both enormous possibility and real constraint If American soccer offers more possibility because of its marginality looking at how these cultural social and political possibilities are closed off or constrained can provide valuable insights into American culture and values In *Soccer's Neoliberal Pitch* Sloop analyzes a host of soccer adjacent case studies the equal pay dispute between the US women's national team and the US Soccer Federation the significance of hooligan literature the introduction of English soccer to American TV audiences the strange invisibility of the Mexican soccer league despite its consistent high TV ratings and the reading of US national teams as underdogs despite the nation's quasi imperial dominance of the Western hemisphere While there is a growing bookshelf of titles on soccer and a growing number on American soccer *Soccer's Neoliberal Pitch* is the first and only book length analysis of soccer through a rhetorical lens This book is a model for critical cultural work with sports with appeal to not only sports studies but cultural studies

communication and even gender studies classrooms It is independent of its bona fides an engaging and enjoyable read for the soccer fan and the soccer curious
