Why Ask Questions About Islam?: Answers Christians Need to Understand Gordon Kainer, 2016-07-11 Across the world Islam appears in eye-catching headlines. We may be aware of what is happening but often we don't understand why. Most Christians have unanswered questions about Islam: don't we? Do Muslims and Christians worship the same God? Does it matter whether one is a Muslim or a Christian? How does Islam view love, sin, salvation and forgiveness? Is a Muslim's view of Jesus different than a Christian's? What does Bible prophecy say about Islam? How best should a Christian witness to a Muslim? This book answers over 100 questions Christians ask about Islam and in so doing reveals Islam's greatest need: a saving faith in the gospel of Jesus Christ. It is the author's hope that this book provides you with a highly informative perspective as Islam is thoughtfully studied and evaluated within the framework of a biblical worldview.

Prophet's answer and public's question ? Abdul Waheed, Just as in today's time people ask all kinds of weird questions to scholars, similarly in ancient times people used to ask all kinds of weird questions to the Prophet, but the Prophet used to be answered in a proper manner through divine knowledge. In this way, the public used to get satisfied, but those who did not want to believe were neither satisfied nor did they believe. As per the title of the above book, whatever questions people used to ask the Prophet, in this book, its details have been given in it, which have been taken from the Quran itself. Just as atheists have questions today in the same way people used to ask questions to the Prophets in those times. But everyone knows that every question cannot be answered because it can only be felt or experienced; it cannot be seen. If any question related to the Prophet is left in this book, please let me know. I will try to enter your article. Thank you.
