Quicken WillMaker Plus 2015 gives you free access to Nolo's Online Living Trust. Here's a deeper look at what you can do with Quicken WillMaker Plus 2015.

Your Will The heart of every estate plan is a will, also known as a last will and testament. This legal document puts you in control of who inherits your property and who would assume guardianship of your children if it were ever necessary. Without a will, state law will determine these issues. Your will allows you to name an executor, personal representative, whose job it is to see that your wishes are carried out. And you can appoint a trusted person to manage property left to young people. With Quicken WillMaker Plus 2015, you can revise and update your will whenever you like.

Your Health Care Directive Spares your loved ones difficult decisions by laying out your wishes for medical care and naming someone to carry those wishes. **Health Care Power of Attorney** Permit a loved one to make important medical decisions for you if necessary. **Living Will** Specify whether you want your life prolonged through artificial means in certain circumstances and set out your wishes about specific medical treatments and procedures. **Your Final Arrangements Plan** a funeral or other ceremony and ease the burden on your loved ones. Describe your preferences for burial, cremation, memorials, obituaries, and more, and select someone to oversee your final arrangements. **Letter to Survivors** Use this letter to leave a final message to your loved ones. You can explain the gifts you left in your will, leave advice, divulge secrets, suggest ways of splitting shared gifts, or any other thoughts you'd like to leave behind. **Documents for Your Executor** Make sure your executor has all the forms and instructions necessary to do the job: checklists, letters, notices, claim forms, and more. **Information for Caregivers and Survivors** Organize your estate so that your survivors don't have to. Use these documents to give them information about everything from bank accounts to the names of people you'd like contacted in the event of your illness or death. **Personal Finance Documents** Over a dozen forms let you handle common financial situations such as lending money to friends or family, creating a bill of sale, and closing a credit card account.
