Queen Of The South Book:

The Book of Love Kathleen McGowan, 2009-03-10 Maureen Paschal thought she might rest and work on her book after discovering the gospel written by Mary Magdalene that revealed Jesus and Mary Magdalene were married The truth of their story rocked the world and made Maureen a target of those who did not like her discovery and a heroine to those who did Then Maureen receives a strange package containing what looks like an ancient letter written in Latin and signed with a symbol She discovers that its author is an extraordinary woman whom history has overlooked or covered up Countess Matilda of Tuscany and in the letter Matilda demands the return of her most precious books and documents Maureen soon finds herself in a race across Italy and France where hidden dangers await her and her lover B renger as they begin to realize that they are on the trail of another explosive discovery the Book of Love the Gospel written in Jesus own hand As Maureen learns more about Matilda an eleventh century warrior countess who was secretly married to a pope she begins to see the eerie connections between herself and Matilda connections she must trace to their source if she is to stop the wrong people from finding the Book of Love and hiding it forever Weaving together Matilda s little known true story and Maureen s thrilling search The Book of Love follows two amazing heroines as their stories intertwine through time Maureen is immersed in the mysteries of the labyrinth the beautiful poetry of the Song of Songs the world s greatest art and architecture and Matilda s amazing legacy until a potentially fatal encounter reveals the Book of Love to Maureen and to the reader

Twelve Years in the Grave - Mind Control with Electromagnetic Spectrums, the Invisible Modern Concentration Camp. Soleilmavis Liu, 2013-11-02 Being taken into the USA Embassy in Hong Kong and her brain was remotely controlled by electromagnetic mind control tech Soleilmavis story sounded weird but it was true Suffering horrible pain and many other strange symptoms Soleilmavis Liu one of many private citizens discovered that she and many other people were test subject victims for the study of electromagnetic spectrums mind control weapons and global surveillance equipment This book tells the true story that during her horrible period in the grave her soul was waylaid but God answered her cries and gave her love and support Losing her life to find God was a true consolation and brought joy to her soul and gave her the strength to be a soldier rather than a victim She worked hard to seek justice by exposing these horrible crimes to the public which if not exposed and publicized in the future humanity would no longer know the meaning of physical inviolability and privacy

The Whole Genuine Works of Flavius Josephus ...: Antiquities of the Jews, book 1-8 Flavius Josephus, 1820 The Book of All Books Roberto Calasso, 2021-11-23 A book that begins before Adam and ends after us In this magisterial work by the Italian intellectual superstar Roberto Calasso figures of the Bible and its whole outline emerge in a new light one that is often astonishing and disquieting as indeed more than any other is the book from which they originate Roberto Calasso s The Book of All Books is a narration that moves through the Bible as if through a forest where every branch every verse may offer some revelation Where a man named Saul becomes the first king of a people because his father sent him off to search for some

donkeys that had gone astray Where in answer to an invitation from Jerusalem's king the queen of a remote African realm spends three years leading a long caravan of young men girls dressed in purple and animals and with large quantities of spices to ask the king certain questions And where a man named Abraham hears these words from a divine voice Go away from your land from your country and from the house of your father toward the land that I will show you words that reverberate throughout the Bible a story about a separation and a promise followed by many other separations and promises The Book of All Books the tenth part of a series parallels in many ways the second part The Marriage of Cadmus and Harmony There gods and heroes of the Greek myths revealed new physiognomies whereas here many figures of the Bible and its whole outline emerge in a new light one that is often astonishing and disquieting as indeed is the book more so than any other from which they originate

Amalasuintha Massimiliano Vitiello, 2017-09-26 In this book Massimiliano Vitiello situates the life and career of the Ostrogothic queen Amalasuintha c 494-535 daughter of Theoderic the Great in the context of the transitional time after the fall of Rome during which new dynastic regimes were experimenting with various forms of political legitimation A member of the Gothic elite raised in the Romanized palace of Ravenna Amalasuintha married her father's chosen successor and was set to become a traditional Gothic queen a helpmate and advisor to her husband the Visigothic prince Eutharic with no formal political role of her own But her early widowhood and the subsequent death of her father threw her into a position unprecedented in the Gothic world a regent mother who assumed control of the government During her regency Amalasuintha clashed with a conservative Gothic aristocracy who resisted her leadership garnered support among her Roman and pro Roman subjects defended Italy from the ambitions of other kings and negotiated the expansionistic designs of Justinian and Theodora When her son died unexpectedly at a young age she undertook her most dangerous political enterprise forming an unmarried coregency with her cousin Theodahad whom she raised to the throne His final betrayal would cost Amalasuintha her rule and her life Vitiello argues that Amalasuintha's story reveals a key phase in the transformation of queenship in late antiquity and the early Middle Ages a time in which royal women slowly began exercising political power Assessing the ancient sources for Amalasuintha's biography Cassiodorus Procopius Gregory of Tours and Jordanes Vitiello demonstrates the ways in which her life and public image show the influence of late Roman and Byzantine imperial models on the formation of female political power in the post Roman world
