Querido Papa Bradley Trevor Greive, 2008-03 If anything on this earth can hold me in total awe and admiration it has to be you Dad All my life I have looked up to you Bradley Trevor Greive inside *Querido pap* Andrews McMeel offers this Spanish language translation of Dear Dad perfect for Father s Day More *Querido pap* New York Times best selling author Bradley Trevor Greive BTG pens this touching tribute to Dad by expertly pairing his poignant and humorous narrative with captivating black and white animal photos Embodying the fatherly paradox of strength through gentleness BTG defines Dad as the beloved anchor safely holding fast to all that family means today even if as a new father Dad found it easier to hold a football than a baby *Querido Papá* Padre Gustavo Jamut, 2016-09-15 El impacto que ejerci tu padre sobre tu vida se

reflejar en muchos de los pensamientos y sentimientos que tengas acerca de ti mismo a y repercutir en la valoraci n que tengas de los hombres en el modo de relacionarte con ellos e incluso en la clase de espiritualidad que hayas cimentado en relaci n con Dios como Padre **Unique Romance of Love** Nestor Julio Cordero, 2013-01-07 All my years through high school I used to see how everyone argues about how love should be and how they blame others for everything they do I started to analyze everyone though including mine I started analyzing why we feel this way when falling in love Why every time we are in a relationship with someone we end up blaming that particular person instead of looking at our self So I decided to write about how love should be shown how we need to look at each other before referring to others in any way We need to start looking deep inside and think about what we really want We all need to really stop choosing and start to look for who really deserve us through our heart not our mind Everything might seem confusing at first but if you think it through it really isnt It is better taking your time eating a meal than rushing and ending up having bad day What I am referring is to take our time to learn about others take our time to see beyond that person take our time to feel what the other person is feeling instead of blocking their heart It is easy to run away but what youre really doing is just ignoring what can be confronted and taken care of If love was as simple as a blink of an eye the world would have no sense of living a simple life I hope you all enjoy my poetry and have a better understanding of what is to love and deserve your present sight Querido

Rego, 2012-06-27 The rapid industrialization of Curacao based on oil refining resulted in an urgent need for labor which the

small community could not provide sufficiently The Portuguese mostly from Madeira were among the immigrant laborers who came by the thousands from the 1920s until the 1950s A small group managed to stay either at the refinery or in the agricultural and grocery sector while others came to join them This nucleus of permanent citizens evolved since the 1960s onwards till the Portuguese emerged as a very strong entrepreneurial group particularly in the supermarket branch but also in some other market segments Today the Portuguese no longer belong to a distinct migrant group but have become an integral part of the Curacao society The second and next generations have been assimilated in the Curacao society and culture The process of immigration participation and integration has been analyzed within the framework of both the sending and the receiving countries It presents also through the eyes of the immigrant an excellent view on the outcome of the struggle to maintain one's own culture and to adapt and prosper in a new society
