The Jewish People, Past and Present ,1952 Books in Print ,1983 Arguing with God Anson H. Laytner,1977-07-07

As an old proverb puts it Two Jews three opinions In the long rich tumultuous history of the Jewish people this characteristic contentiousness has often been extended even unto Heaven Arguing with God is a highly original and utterly absorbing study that skates along the edge of this theological thin ice_at times verging dangerously close to blasphemy_yet also a source of some of the most poignant and deeply soulful expressions of human anguish and yearning The name Israel literally denotes one who wrestles with God And from Jacob s battle with the angel to Elie Wiesel s haunting questions about the Holocaust that hang in the air like still smoke over our own age Rabbi Laytner admirably details Judaism s rich and pervasive tradition of calling God to task over human suffering and experienced injustice It is a tradition that originated in the biblical period itself Abraham Moses Elijah and others all petitioned for divine intervention in their lives or appealed forcefully to God to alter His proposed decree Other biblical arguments focused on personal or communal suffering and anger Jeremiah Job and certain Psalms and Lamentations Rabbi Laytner delves beneath the surface of these blasphemies and reveals how they implicitly helped to refute the claims of opponent religions and advance Jewish doctrines and teachings **Farewell**

Espana Howard M. Sachar,2013-08-21 Farewell Espana transcends conventional historical narrative With the lucidity and verve that have characterized his numerous earlier volumes Howard Sachar breathes life into the leading dramatis personae of the Sephardic world the royal counselors Samuel ibn Nagrela and Joseph Nasi the poets Solomon ibn Gabirol and Judah Halevi the philosophers Moses Maimonides and Baruch Spinoza the statesmen Benjamin Disraeli and Pierre Mendes France the warriors Moshe Pijade and David Elazar the fabulous charlatans David Reuveni and Shabbatai Zvi In its breadth and richness of texture Sachar s account sweeps to the contemporary era of Mussolini Hitler and Franco poignantly traces the fate of Balkan Sephardic communities during the Holocaust and their revival in the Land and State of Israel Not least of all the author offers a tactile dimension of immediacy in his personal encounters with the storied venues and current personalities of the Sephardic world Farewell Espana is a window opened on a glowing civilization once all but extinguished and now flickering again into renewed creativity *Settings of Silver* Stephen M. Wylen,2014-05-14 Provides a comprehensive and easy to understand overview of Judaism as the belief system and way of life of the Jewish people **The Jewish Voice Pictorial** ,1942
