Selling it Leslie Ware, 2002 A collection of articles featured in Consumer Reports magazine's Selling It column which bring a variety of consumer scams and sweepstakes to the attention of Americans

The AXIOMS of Marketing Robert W. Bly, 2021-12-21 Laws are broken Rules get bent AXIOMS aka see uhms noun 1 statements or propositions that are regarded as being established accepted or self evidently true 2 the sublime and intrinsic facts of a subject that form the foundational underpinnings upon which one can build unbounded and limitless success The Premiere Book in the Exciting New Line That Puts a Foundation Underneath Your Efforts The AXIOMS of Marketing are Marketing Effectiveness Is Not Subjective Likeability Effectiveness High Accuracy High Results Lead Quality 1 Lead Quantity Knowledge Is Finite Emotion Facts In The AXIOMS of Marketing you have 6 undeniable truths about marketing what they can do and how to implement them in your marketing for maximum results The axioms work virtually all the time and when you defy one or more of the axioms your marketing results invariably falls short of the mark What's the difference between a rule and an AXIOM A rule is a guideline to follow that has a strong probability of yielding the expected result An AXIOM is an immutable law which can be violated only under the most extraordinary circumstances if at all The value of having these AXIOMS written out for you is I think obvious but in case not let me state it plainly By obeying these AXIOMS and making your promotions conform to them you can substantially improve your marketing results Conversely when you ignore all or even one of these marketing axioms you risk poor results and monetary losses One other advantage of mastering and following these 6 AXIOMS of marketing is that they unlike marketing technology and channels are immutable and do not change over time The same principles of human desire and methods of influence that guided the markets of ancient Greece are still operating today writes Craig Simpson and Brian Kurtz in their book The Advertising Solution In order to get people to do what you want them to do you have to understand what motivates them You also have to know how to prevent yourself and your product to get their interest their trust and ultimately their willingness to call you visit you or send you their money What You'll Learn in The AXIOMS of Marketing Why you should avoid making marketing decisions based on subjective judgment The 25/50/25 rule of testing marketing variables 14 A/B split tests worth doing How to make your marketing tests statistically valid Do ads consumers find entertaining outsell other ads The 5 characteristics of winning advertisements Don't underestimate the power of targeted marketing Profiting from the Recency Frequency Monetary formula Understanding demographics Selling to the starving crowd Succeed in internet marketing with the Agora Model 6 ways to take a deeper dive into the mind of your prospect The inverse correlations between lead quality and lead quantity The MAO/FU formula for qualifying prospects 8 proven ways to generate more sales leads The importance of calculating lifetime customer value The 5 step Motivation Sequence for more powerful persuasion 31 ways to increase response to your ads 50 ways to increase direct mail response rates 31 ways to increase response to your ads Increase content marketing ROI Coping with Big Data Which is more potent

emotion or facts The BDF formula for finding your customer s dominant resident emotion On Message Zach Friend,2013-09-17 In this era of information overload and real time communication where anyone can publish and broadcast to millions of people with the click of a button there is no shortage of people talking about the need to get their message across or having a narrative But for business marketing and political campaigns there is no definitive how to on crafting a compelling narrative that achieves lasting results And without a narrative no amount of framing complex messaging or facts will succeed On Message solves that problem illustrating how effective communicators understand the power of narrative emotion and simple messaging and posits that having a personal emotional narrative is the basis for all successful communication Drawing on Zach Friend s own experience and insights from politics advertising corporate communications entertainment and social psychology On Message provides a simple process for applying the powerful principles behind crafting a narrative ultimately paving the path to success Specifically readers will Learn how to focus their communication efforts in a dramatically more powerful way on the most important factor narrative Master the mindset needed to become a better communicator and make a forceful impact on their audience and clients Stop wasting time and energy gathering unnecessary facts and data that don t advance their message and Get results faster by using narrative as a productive tool that will fuel success *Library Journal* ,2002 *Consumer Reports* 2002 Consumer Reports,2003-02 Subject Guide to Books in Print ,2001 **Business World** ,2002 **The Publishers Weekly** ,2001 **The Writers Directory** ,2013
