Seeking God Together An Introduction To Group Spiritual Direction

Dann Wigner

Seeking God Together An Introduction To Group Spiritual Direction:

Seeking God Together Alice Fryling, 2009-10-20 Experienced spiritual director Alice Fryling presents an overview of what group spiritual direction is and how it is practiced offering practical step by step guidance for those who would like to start lead or participate in group spiritual direction **Experience** Matthew Floding, Dawn Davis, 2024-11-05 Spiritual formation has gained increasing attention with theological schools as a significant element of the theological education process Repeated Association of Theological Schools studies have revealed a broad interpretation of what is meant by spiritual formation and how it is achieved within the theological education framework Theological schools look to what happens in the field education courses as the most significant source of spiritual formation Experience Spiritual Formation in Theological Field Education provides effective resources that field educators may employ to foster spiritual formation In the first section of the book twenty five practices are introduced that are employed currently by field educators with strong favorable student feedback In a second section ministerial leaders in a variety of settings share spiritual practices that they have found life giving and foster deeper connection with God and God's world Experience equips field educators for the significant task of fostering the spiritual growth of their students Students in turn will have a treasure trove of spiritual formation exercises practices that they can adapt as ministerial leaders in congregations chaplaincy settings and in faith based non profit organizations **Secularism and the Pursuit of Transcendence, Volume I** Stanley E. Porter, Wendy J. Porter, 2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent's pursuit of us **Thinking Spiritually in Small Groups** Dann Wigner, 2022-05-09 Mystical experiences are happening every day yet as amazing as the experiences can be it is often difficult to integrate these experiences into the rest of life In light of this difficulty I have created mystical reflection as a simple method for sharing one's own mystical experiences in a group setting and listening to the experiences of others in a non judgmental way The theological principle at work here is that if God speaks then everyone

can benefit from it Mystical reflection takes this principle seriously and offers a method of application for integrating the spiritual insights into each person's spirituality *Belong* Melanie Dobson, 2025-10-17 Help your church live into God's preferred future By embracing the rich tradition of early Methodist class meetings early monasticism and Ignatian and Quaker traditions this book offers practical guidance on spiritual direction for your community Readers learn how to navigate conflicts with grace and create a space for genuine community and spiritual wholeness Relatable stories and practical guidance illuminate how authentic connections both with each other and with God can light the way to richer relationships and renewed purpose nurturing belonging and spiritual growth while gathering people together Creating an environment where spiritual exploration leads to real lasting change and empowering individuals to help others become more faithful joyful followers of Christ Melanie Dobson's group spiritual practices foster unity and consensus on the journey towards God's preferred future where connection brings us together as one in faith and love sowing seeds of belonging in a world filled with loneliness and division An appendix with guidelines schedules and more provides helps for implementation is available online with purchase *How Then Shall We Guide?* Jimmy Boon-Chai Tan, 2023-05-25 There has been a marked increase of interest in the art of spiritual direction in recent decades Yet in many circles especially in ecumenical and interfaith contexts it is unclear what grounds the practice of this ancient art As a tradition's practice of spiritual direction expresses its particular theology which in turn is shaped by its unique history this work explains that ecumenical spiritual direction must make and retain the tri-perspective of history theology and method that faithfully reflects each tradition's distinctives as requisite for true ecumenical enrichment The importance of this trinocular vision is brought into sharp focus through a comparative study of Ignatius of Loyola and John Calvin where points of continuity and discontinuity between the Ignatian and Reformed traditions underscore the importance of this work's thesis *An Open Place* Daniel Schrock, Marlene Kropf, 2012-11-01 Written from an ecumenical standpoint as a practical aid for moving those experienced in individual spiritual direction toward group practices This book responds to the movement to expand spiritual direction beyond the classic one-on-one model Group spiritual direction has the potential to offer the rich experience of individual spiritual direction to a much wider audience yet very little has been written to provide guidance for starting such groups This book responds to that challenge It outlines ways that a diverse and ecumenical group of spiritual directors worked to initiate groups in multiple contexts It examines the many variables among directors directees even meeting spaces that affect and enliven this ministry And it summarizes pitfalls success and discoveries **An Introduction to Spiritual Direction** Chester P. Michael, 2004 An Introduction to Spiritual Direction is a clear nuanced and practical handbook for spiritual directors and directees that examines what it means to be spiritually whole and the process that gets us there It is based in part on the two year training course that the author conducts at Spiritual Direction Institute the teachings of the depth psychologist Carl Jung and the Christian traditionalists among them St Francis de Sales Ignatius of Loyola Teresa of Avila and John of the Cross It is further

conjoined with sections on the qualities of the good director and directee with fascinating forays into the nature of temperament and psychological type The core of the book is devoted to its larger question the actual growth and acquisition of spiritual wisdom where the stages pitfalls remedies rewards as well as the importance of spiritual direction especially during times of crises are examined in numerous comprehensive sections Dovetailed with chapter notes and questions index and extensive bibliography An Introduction to Spiritual Direction deserves recognition by directors directees counselors students and practitioners of psychology and religious educators It is a great starting point for spiritual exploration

Where Two or Three Are Gathered Daniel L. Prechtel, 2012-02-01 Much has been written about the practice of one to one spiritual directions but much less about small group communities that offer in depth mutual spiritual support and guidance to its members But small groups are most likely the more usual setting for spiritual companionship and have strong biblical theological and historical foundation in the Christian tradition This book offers a detailed presentation of ten small group models plus guidance in group leadership dynamics It also presents material related to group retreat work spiritual guidance with organizations and peer supervision consultation model for supporting leaders of spiritual companionship groups and retreats Church leaders spiritual directors and educators are looking for the kinds of resources this book provides to assist them in understanding and leading groups and retreats

Spiritual Practices for Soul Care Barbara L. Peacock, 2023-08-29 Experience the Richer Spiritual Life You Long For In this world of frantic activity and constant entertainment it can be hard to identify and embrace the rhythms that lead to true flourishing Your spirit longs for a stronger connection to the divine a clearer sense of personal spiritual growth a closer relationship with your creator and redeemer But how do you integrate this kind of inner growth into the realities of your outer life If you long for a deeper experience of God as you journey through this life Spiritual Practices for Soul Care offers 40 ways to help you put the spiritual disciplines into action each day From prayer and meditation to serving and socializing to resting and healing these simple restorative practices will help you develop the kind of Christian walk you desire If you have been frustrated by slow or stalled progress or if you simply yearn to go deeper now is the time to pause take a breath and awaken to your transformative soul care journey starting today

This book delves into Seeking God Together An Introduction To Group Spiritual Direction. Seeking God Together An Introduction To Group Spiritual Direction is a vital topic that must be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Seeking God Together An Introduction To Group Spiritual Direction, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Seeking God Together An Introduction To Group Spiritual Direction
 - Chapter 2: Essential Elements of Seeking God Together An Introduction To Group Spiritual Direction
 - Chapter 3: Seeking God Together An Introduction To Group Spiritual Direction in Everyday Life
 - Chapter 4: Seeking God Together An Introduction To Group Spiritual Direction in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Seeking God Together An Introduction To Group Spiritual Direction. This chapter will explore what Seeking God Together An Introduction To Group Spiritual Direction is, why Seeking God Together An Introduction To Group Spiritual Direction is vital, and how to effectively learn about Seeking God Together An Introduction To Group Spiritual Direction.
 3. In chapter 2, this book will delve into the foundational concepts of Seeking God Together An Introduction To Group Spiritual Direction. This chapter will elucidate the essential principles that need to be understood to grasp Seeking God Together An Introduction To Group Spiritual Direction in its entirety.
 4. In chapter 3, this book will examine the practical applications of Seeking God Together An Introduction To Group Spiritual Direction in daily life. This chapter will showcase real-world examples of how Seeking God Together An Introduction To Group Spiritual Direction can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of Seeking God Together An Introduction To Group Spiritual Direction in specific contexts. This chapter will explore how Seeking God Together An Introduction To Group Spiritual Direction is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Seeking God Together An Introduction To Group Spiritual Direction. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Seeking God Together An Introduction To Group Spiritual Direction.
