Preaching Hebrews Rochester College Lectures On Preaching:

Preaching Hebrews David Fleeer, Dave Bland, 2003-01-01 The Rochester College Sermon Seminar and the series of books it has inspired have been built on the conviction that Christian preaching today needs revision. Such reforming begins with a close and faithful reading of Scripture, an engagement so serious that the world of Scripture ultimately sets agendas and invents expectations for meaningful life. In this present volume too we wish to grant the book of Hebrews the opportunity to pull all of us into the world it envisions, allowing it the power to judge, convict, and form us into a community God desires. This is not an easy task for several reasons, most notably the fact that the world of Hebrews is quite alien from our own. Like previous volumes in the Rochester Lectures on Preaching, the current work is divided into two parts. The first is a collection of four related essays meant to orient the reader to the world clearly conceived in Hebrews. The second half appropriates this orientation with sermons for particular Christian congregations. Excerpts from David Fleeer's Introduction The Oxford Handbook of Sacramental Theology Hans Boersma, Matthew Levering, 2015-08-06 As a multi-faceted introduction to sacramental theology, the purposes of this Handbook are threefold: historical, ecumenical, and missional. The forty-four chapters are organized into the following parts: five parts: Sacramental Roots in Scripture, Patristic Sacramental Theology, Medieval Sacramental Theology, From the Reformation through Today, and Philosophical and Theological Issues in Sacramental Doctrine. Contributors to this Handbook explain the diverse ways that believers have construed the sacraments both in inspired Scripture and in the history of the Church's practice. In Scripture and the early Church, Orthodox, Protestants, and Catholics all find evidence that the first Christian communities celebrated and taught about the sacraments in a manner that Orthodox, Protestants, and Catholics today affirm as the foundation of their own faith and practice. Thus, for those who want to understand what has been taught about the sacraments in Scripture and across the generations by the major thinkers of the various Christian traditions, this Handbook provides an introduction. As the divisions in Christian sacramental understanding and practice are certainly evident in this Handbook, it is not thereby without ecumenical and missional value. This book evidences that the story of the Christian sacraments is, despite divisions in interpretation and practice, one of tremendous hope. Hebrews (Paideia: Commentaries on the New Testament) James W. Thompson, 2008-12-01 Hebrews, the second of eighteen volumes in the Paideia commentary series, brings the insight of a veteran teacher and writer to bear on a New Testament book whose rich imagery and memorable phrases have long shaped Christian discourse. The Paideia series approaches each text in its final canonical form, proceeding by sense units rather than word by word or verse by verse. Each sense unit is explored in three sections: 1. introductory matters, 2. tracing the train of thought, 3. key hermeneutical and theological questions. The commentaries shed fresh light on the text while avoiding idiosyncratic readings, attend to theological meaning without presuming a specific theological stance in the reader, and show how the text uses narrative and rhetorical strategies from the ancient educational context to form and shape the reader. **Letters to the Church** Karen H.

Jobs,2011-11-01 Respected New Testament scholar Karen Jobs explores the cultural and theological background of Hebrews and the general epistles James through Jude in this rich commentary Writing from an evangelical perspective Jobs addresses issues of historical relevance as well as how these ancient books connect with Christian faith and practice today Letters to the Church includes Historical background for each book focusing on authorship genre date and content An exploration of the major themes in each book and detailed commentary on key passages Boxes with chapter goals outlines challenges and significant verses Sidebars addressing difficult passages or ideas Maps photographs charts and definitions Questions for discussion reflection and testing A comparison of the teachings about Christ in each of the letters Pastors professors students and laypeople interested in deeper biblical study will find this an invaluable resource that offers well researched commentary in an accessible spiritually meaningful form

Hebrews Luke Timothy Johnson,2006-01-01 This volume of the New Testament Library offers a thorough and careful commentary on the complicated book of Hebrews showing its meaning within the context of ancient culture and the theological development of the early church Written by one of the leading New Testament scholars of the present generation this commentary offers remarkable insights into the Hellenistic Roman and Jewish contexts of the book of Hebrews The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship The commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text

Renewing Tradition Mark W. Hamilton,Thomas H. Olbricht,Jeffrey Peterson,2006-11-10 We offer this collection as a token of our affection and admiration of our friend and colleague James Weldon Thompson His studies of the letter to the Hebrews and of Paul in their intellectual contexts especially Middle Platonism have contributed significantly to the ongoing quest for placing the New Testament in its socio intellectual setting Although his publications in this area date back more than thirty years his best work is occurring now and we may anticipate path breaking contributions ahead His more recent work on preaching and pastoral care in Paul both situate the Apostle in his own world and just as importantly offer correctives of some contemporary ministerial practices and invitations for improvements Since 1993 Thompson has served as the editor of Restoration Quarterly a significant venue for research in biblical studies church history especially of the Stone Campbell Restoration Movement and contemporary theology His more popular works make available to a lay audience thoughtful well informed and spiritually rewarding interpretations of much of the New Testament His achievements however do not end at the printing press For more than thirty years he has taught ministers and others at the Institute for Christian Studies now Austin Graduate School of Theology and Abilene Christian University Students of the past and the present speak of him as a prepared stimulating and creative teacher unafraid of experimentation for a new generation of learners At both institutions he also served as an administrator first as President of ICS and then as Associate Dean of ACU s

H. Godfrey, 2016-11-11 Hebrews is a sermon and a providentially sermon for our age This ancient text speaks to a Christ community descending into an abyss of ennui losing coordinates of faith and sliding through a back door or nonchalance With glimpses across the globe and through history this book attempts to extrapolate meaning for today from a sometimes difficult first century text Preaching from Luke/Acts David Fleer, Dave Bland, 2011-06-14 The context for this book is rooted in the life of the local church We desire to integrate biblical scholarship and homiletical theory with the task of preaching Luke Acts Our prayer is that the responsible integration of these resources will increase the ability of the Holy Spirit to empower preachers for faithful proclamation of God's word To that end we give God the glory From the editor's Introduction Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur, 2003 The sermon Bible [extr. from sermons on the Bible by various authors], 1888

The Top Books of the Year Preaching Hebrews Rochester College Lectures On Preaching The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year.

Preaching Hebrews Rochester College Lectures On Preaching : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Preaching Hebrews Rochester College Lectures On Preaching : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
