jump and where one false move can take you out of the game permanently From mountain climbing and freestyle motocross to skydiving and snowboarding and beyond in the past decade the world of extreme sports has exploded onto the scene with daredevils attempting acts of athleticism that leave spectators awed and fearful Being Extreme explores the motivations and societal impulses behind these high risk lifestyles through interviews with professional athletes and recreational enthusiasts as well as with psychiatrists who seek to understand the motivation behind these Big T personalities Authors Gutman and Frederick also explore what heart stopping sports are around the next curve because in a world where the rush is everything everyone is always upping their game

The Challenge of K2 Richard Sale, 2011-12-13 K2 is a legend one of the most demanding mountaineering challenges in the world and one of the most treacherous Extreme unpredictable weather and the acutely difficult climbing conditions test the technique endurance and psychological strength of the most experienced mountaineers to the limit and often beyond Many of the men and women who have sought to reach the summit have failed often with tragic consequences over 70 of them have died or disappeared Yet this the second highest mountain on Earth continues to exercise for the worlds top mountaineers a special and all too often lethal attraction Richard Sales fascinating new book traces the climbing history of K2 over the last 150 years he shows in graphic detail how it acquired this awesome reputation it was during the first serious attempts on the summit in the 1930s and 1950s that K2 became known as the Savage Mountain

Joel's Chance Lisa Maheu, 2014-10-02 Joel found out that Barafu is the Swahili word for ice Feeling the bitter cold clinging to his body Joel had no doubt the locals knew what they were talking about As they were hiking closer to the summit the air was definitely chilly and thinner It took a lot of strength and determination to move each foot Joels leg muscles were aching with pain mainly because he was exhausted from lack of sleep and his body trying to fight off the harsh cold His breathing was becoming more labored as the climb was ascending higher and higher with little oxygen to take in Joel kept thinking to himself This is harder than I thought Why did I even want to climb this mountain I read all of the facts but no one prepared me for such challenges I almost wish I had stayed at one of the other camps NO I can do this I think With each step the trail was becoming very steep When Joel decides to take a chance to climb the majestic mountain Kilimanjaro in Tanzania Africa he encounters all kinds of challenges wild animals harsh weather conditions but mostly fear Through each hardship though Joel finds courage and strength A courage that can only be found when one has a relationship with Jesus Christ

High Trust Selling Todd Duncan, 2007-04-15 Do you feel like your career exists somewhere between your last sale and your next one Are you always searching for the way to bridge the gap and create long term success Does it seem that somehow your life is only about your ability to perform on the job For too long you have bought into the idea that the business you do and the life you lead are completely separate What Todd Duncan has learned in his twenty two years of sales is the polar opposite When you discover how to connect who you are and what you are about in your selling career the results will be phenomenal and long lasting No matter what industry you work in or what type of sales position you hold

adopting the practical principles in High Trust Selling will open the door to a new way of thinking and a life beyond your wildest expectations Long term sales success happens when high trust exists when you are a trustworthy salesperson running a trustworthy sales business and when it s clear to your clients that you are a person of integrity who will not only do what you say but who also has the means to deliver Todd Duncan
