

Jog into the middle as they reach the middle cone we call a colour they then sprint to that colour cone and Jog back to their original starting cone. Once all four teams have been through the drill we change it and have one team leading the other team following. so if we made blues leaders they will Jog into the middle the yellows will do the same at the middle cone the blue decide which cone to sprint to and yellow try to catch them. we do the same with the other two teams and swap them around.

A Neuropsychologist's Guide to Training Psychometrists Christine S. Ghilain, 2021-12-24 *A Neuropsychologist's Guide to Training Psychometrists Promoting Competence in Psychological Testing* provides a framework for busy neuropsychologists faced with training their newly hired psychometrist. It supplies concrete guidelines and provides a roadmap for training that can be customized to any practice department or clinic setting. In this essential resource Dr Christine S Ghilain discusses the role of the psychometrist in various neuropsychological practice settings and provides suggested minimum standards of competence across training domains. She dives deeply into the core components of assessment from optimizing testing conditions to standardized test administration to keen observations of behavior and includes coverage of topics such as testing with unique populations, behavioral management strategies for challenging situations as well as promoting ongoing competence over time. A compilation of several sources of data, the book includes excerpts from Dr Ghilain's practice specific psychometry training manual along with advice and illustrative examples from many neuropsychologists and psychometrists who shared their experiences. This book is an indispensable guide for neuropsychologists looking to instill high standards of competence in their hired professionals and for those involved in training graduate students who are just learning to administer cognitive tests. It is also of interest to other assessment focused professionals looking to enhance their skills and refine their psychological testing knowledge.
