

The background image is a detailed, dark, and atmospheric illustration of a dystopian city, likely London in the year 2540 as depicted in the movie 'Brave New World'. The scene shows a street with a large, multi-story building on the right and a smaller, more dilapidated structure on the left. A vintage car is parked on the right side of the street. The sky is a deep, ominous red, suggesting a sunset or a fire. The overall tone is gritty and futuristic.

Deadhouse John Temple, 2009-09-28 *Deadhouse* Life in a Coroner's Office chronicles the exploits of a diverse team of investigators at a coroner's office in Pittsburgh Ed Strimlan is a doctor who never got to practice medicine Instead he discovers how people died Mike Chichwak is a stolid ex paramedic respected around the office for his compassion and doggedness Tiffani Hunt is twenty one a single mother who questions whether she wants to spend her nights around dead bodies All three deputy coroners share one trait a compulsive curiosity A good thing too because any observation at a death scene can prove meaningful A bag of groceries standing on a kitchen counter the milk turning sour A broken lamp lying on the carpet of an otherwise tidy living room When they approach a corpse the investigators consider everything Is the victim face up or down How stiff are the limbs Are the hands dirty or clean By the time they bag the body and load it into the coroner's wagon Tiffani Ed and Mike have often unearthed intimate details that are unknown even to the victim's family and friends The intrigues of investigating death help make up for the bad parts of the job There are plenty of burdens grief stricken families decomposed bodies tangled local politics and gore And maybe worst of all is the ever present reminder of mortality and human frailness *Deadhouse* also chronicles the evolution of forensic medicine from early rituals performed over corpses found dead to the controversial advent of modern forensic pathology It explains how pathologists read bullet wounds and lacerations how someone dies from a drug overdose or a motorcycle crash or a drowning and how investigators uncover the clues that lead to the truth

Reading, Writing, and Digitizing Alice Horning, 2013-01-16 *Reading Writing and Digitizing* offers a new theoretical proposal concerning expert and novice readers and writers based on the psycholinguistics of literacy This book has five specific goals First it presents a theory of meta reading and writing that describes what literacy experts are able to do with written text They do what the word meta describes go before and after into and around beyond and beside written text to understand and create meaning Second the case studies presented reveal differences between literacy novices and experts in terms of their awarenesses about texts and their skills these are clarified as the discussion unfolds Third the book provides an analysis of the processing mechanisms people use and the features that texts contain that make literacy possible A fourth

goal is to examine how experts understand and produce texts in both traditional and digital venues Finally the book ends with focused strategies for instruction that will be useful to any reader working with people engaged in literacy development Readers of this book will be better equipped to support the literacy development of others through their enhanced understanding of the psycholinguistics of reading and writing and of the differences between literacy novices and experts

The Routledge Companion to Global Internet Histories Gerard Goggin,Mark McLelland,2017-02-17 The Routledge Companion to Global Internet Histories brings together research on the diverse Internet histories that have evolved in different regions language cultures and social contexts across the globe While the Internet is now in its fifth decade the understanding and formulation of its histories outside of an anglophone framework is still very much in its infancy From Tunisia to Taiwan this volume emphasizes the importance of understanding and formulating Internet histories outside of the anglophone case studies and theoretical paradigms that have thus far dominated academic scholarship on Internet history Interdisciplinary in scope the collection offers a variety of historical lenses on the development of the Internet as a new communication technology seen in the context of older technologies as a new form of sociality read alongside previous technologically mediated means of relating and as a new media vehicle for the communication of content

The Committed Reader Robert A. Stebbins,2012-10-17 Committed utilitarian reading is either dominantly practical or more or less equally practical and fulfilling Pleasurable reading is conceptualized as an important kind of casual leisure experienced primarily as relaxation active entertainment and sexual stimulation racy pornographic stories Such reading can also be a launching pad for day dreams or lively conversation Self fulfilling reading is explored in a disquisition on the liberal arts hobbies This is no place for speed reading but instead is

where we care to pause often to appreciate the artistry of the writing creativity of the plot profundity of the message i.e. the information it contains and the like And in fulfilling reading we sometimes want to analyze the material This book explores three main motives for reading identified as utilitarian pleasurable and fulfilling Its principal object is to deepen our understanding of why some adults and eager late adolescent readers go in for committed reading or reading that as we strive to acquire literary knowledge and experience necessarily consumes considerable time and requires continuous concentration The conceptual frameworks guiding this endeavor are library and information science and the serious leisure perspective Through their lenses the author examines the reading of books magazines manuals reports and other lengthy material as carried out in the three domains of life work leisure and non work obligation In brief committed reading provides its enthusiasts with knowledge and experience which among other ways are sought acquired interpreted organized and sometimes disseminated within the three domains This book also examines committed reading in daily life its ease convenience affordability and enduring effects There follows a portrait of the various reading environments including music to read by reading at airports and on airplanes reading in one's study in a park on public transit in public libraries and elsewhere This is part of the reader's social world which is further comprised of book clubs bookstores Amazon.com censorship author public readings and more

Intimacy on the Internet Lauren Rosewarne, 2016-04-14 The focus of this book is on the media representations of the use of the Internet in seeking intimate connections be it a committed relationship a hook up or a community in which to dabble in fringe sexual practices Popular culture film narrative television the news media and advertising present two very distinct pictures of the use of the Internet as related to intimacy From news reports about victims of online dating to the presentation of the desperate and dateless the perverts and the deviants a distinct frame for the intimacy Internet connection is negativity In some examples however a changing picture is emerging The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news resulting in more positive spin advertising and a more even handed presence of such liaisons in narrative television and film Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender sexuality technology and the changing mores regarding intimacy
