Know Yourself and Live Free Brian M. Tysdal, 2025-05-14 There's victory in Jesus just lay it all on the altar Surrender simply follow God's will for your life On the surface these directions seem straightforward but have you ever wondered what exactly they mean Have you chased after God trying to establish a closer walk with Him but never felt like you've moved toward that goal Are you discouraged in your Christian walk because try as you might your life is not vibrant peaceful or particularly fulfilling Do you wonder what God's will really is and how you might find it How does being a Christian influence your identity If you are seeking to understand how to live the deeply satisfying Christ-centred life that you hear exhorted from your local pulpit read on Know Yourself and Live Free sheds light on these questions explaining why Christians often live defeated unsatisfying lives It explores the concepts of spirit and soul discussing the soul's component parts and their roles in the Christian's frustration and challenge Pastor Tysdal invites you to discover your loving Heavenly Father and your true identity and addresses the obstacles that stand in the way of experiencing who you really are in Christ Throughout Scripture provides a strong foundation of truth that highlights what identity in Jesus really is and how the Holy Spirit leads to practical applications of those important truths Tysdal's personal quest for his identity in Christ helped strip away many of the superficial things that he had associated with his nature allowing him to find the foundation of who he was in Jesus He discovered what true freedom could look and feel like Written from a humble spirit this thoughtful and deliberate narrative offers insight and attitudes that can lead to freedom and clarity in a journey with Christ Know Yourself and Live Free wipes away the cobwebs of confusion and provides a clear pathway to a life of blessing that might have seemed impossible but isn't

Oden, 2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co-opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg Jürgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community

Reading Barth with Charity George Hunsinger, 2015-04-14 Karl Barth and his legacy have dominated theology circles for over a decade. In this volume George Hunsinger, a world renowned expert on Barth's theology, makes an authoritative contribution to the debate concerning Barth's trinitarian theology and doctrine of election. Hunsinger challenges a popular form of Barth interpretation pertaining to the Trinity, demonstrating that there is no major break in Barth's thought between the earlier and the later Barth of the Church Dogmatics. Hunsinger also discusses important issues in trinitarian theology and Christology that extend beyond the contemporary Barth debates. This major statement will be valued by professors and students of systematic theology, scholars and readers of Barth. **I Am Loved** Wendy Blight, InScribed, 2017-12-26 I Am Loved shares the unique insights and wisdom of the last disciple to walk with Jesus in this in-depth study of the book of 1 John.
